Trungpa's masterpiece *The Profound Treasury of the Ocean of Dharma* will resonate with new and senior students of Buddhism. Chogyam Trungpa begins his study by presenting the teachings of the hinayana. The hinayana introduces core Buddhist teachings on the nature of mind, the practice of meditation, the reality of suffering, and the possibility of liberation. It examines the nature of suffering, impermanence, and egolessness with an emphasis on personal development through meditative discipline and study. The formal entry into the hinayana and the Buddhist path altogether is the refuge vow, in which a student goes for refuge to the Buddha or the teacher, the dharma or the teachings, and the sangha or the community. The hinayana path is based on training in mindfulness and awareness, cultivating virtue, and cutting grasping. Topics covered in detail in this volume include the four noble truths, karma, the four foundations of mindfulness, meditation practice, the refuge vows, the three jewels, the five skandhas, the five precepts, twofold egolessness, and more.

The Heart of the Buddha Chögyam Trungpa, 2010-11-23. The basic teachings of Buddhism as they relate to everyday life, presented by the esteemed Tibetan meditation master. In *The Heart of the Buddha*, Chogyam Trungpa examines the basic teachings of Buddhism and places them within the context of daily life. Divided into three parts, the book begins with a discussion about the open, inquisitive, and good-humored qualities of the heart of the Buddha, an enlightened "ground" that everyone possesses. Next, Chogyam Trungpa moves to the stages of the Buddhist path, presenting the three vehicles: Hinayana, Mahayana, and Vajrayana, that carry the Buddhist practitioner toward enlightenment. Finally, he describes the direct application of Buddhist teachings to topics as varied as relationships, children, and money. *The Heart of the Buddha* reflects Trungpa's great appreciation for Western culture and deep understanding of the Tibetan Buddhist tradition, which enabled him to teach Westerners in an effective, contemporary way.

In the Face of Fear Barry Boyce, 2009-09-22. Most of us have never experienced such deep anxiety and uncertainty in the world as we are in these current times. This anthology of Buddhist teachings offers an antidote. While we can't control the home foreclosures, job losses, dwindling savings, and the other myriad challenges facing our society, Buddhism teaches us that there is one thing we can always control: our own state of mind. How we react to the ups and downs of life makes all the difference, and Buddhism offers a wealth of wisdom and practices to help us maintain a stable, wise, and helpful state of mind, no matter what happens. *In the Face of Fear* shows us how to remain open, joyful, and caring, even when life is stressful. Avoid old behavior patterns that only make things worse; access our innate confidence and fearlessness; turn difficult times into opportunities for spiritual development; learn why caring for others is the best way to relieve our own suffering; discover that our true nature is always awake, wise, and good, no matter what is happening. This anthology features the greatest contemporary Buddhist teachers and writers, people renowned for addressing precisely the problems we're facing today, including the Dalai Lama, Pema Chödrön, Thich Nhat Hanh, Chogyam Trungpa, Sylvia Boorstein, Jack Kornfield, Norman Fischer, Jon Kabat-Zinn, Sharon Salzberg, and many others.

So Far from Home Margaret J. Wheatley, 2012-10-08 AN INVITATION TO WARRIORSHIP I wrote this book for you if you offer your work as a contribution to others whatever your work might be and if now you find yourself feeling exhausted overwhelmed and sometimes despairing even as you paradoxically experience moments of joy belonging and greater resolve to do your work This book describes how we can do our good work with dedication energy discipline and joy by consciously choosing a new role for ourselves that of warriors for the human spirit This book contains maps of how we ended up in a world nobody wants overtaken by greed self interest and oppressive power the very opposite of what we worked so hard to create These maps look deeply into the darkness of this time so that we can develop the insight we need to contribute in meaningful ways This book provides maps for the future how we can transform our grief outrage and frustration into the skills of insight and compassion to serve this dark time with bravery decency and gentleness As warriors for the human spirit we discover our right work work that we know is ours to do no matter what We engage wholeheartedly embody values we cherish let go of outcomes and carefully attend to relationships We serve those issues and people we care about focused not so much on making a difference as on being a difference *Natural Bravery* Gaylon Ferguson, 2016-02-16 How to find freedom from fear Buddhist teachings that really work from a respected contemporary teacher Fear is something that's such a part of our lives that it doesn't seem it would be possible to live without it This book disputes that claim in a powerful way Gaylon Ferguson presents traditional Buddhist teachings to show that the fear that so often wreaks havoc on us is in fact quite insubstantial and it's mostly something we create ourselves If we can learn to see that it becomes pretty simple to uncreate it and we also discover that there's a natural fearlessness in us that goes far deeper than fear With this natural bravery as our foundation we can live our own lives more effectively and also be a better help and comfort to others
