The Philosophy of Punishment Anthony Ellis, 2012-05-30 The series St Andrews Studies in Philosophy and Public Life originates in the Centre for Ethics Philosophy and Public Affairs University of St Andrews and is under the general editorship of John Haldane The series includes monographs collections of essays and occasional anthologies of source material representing study in those areas of philosophy most relevant to topics of public importance with the aim of advancing the contribution of philosophy in the discussion of these topics In this volume the author sets aside the usual division between theories of punishment that do or do not focus on retribution In its place he proposes and explores the distinction between

internalist and externalist theories The final chapter discusses the deterrent value of punishment **Criminal Law** Josie Kemeys,2019 **Mental State Defences in Criminal Law** Steven Yannoulidis,2016-04-22 By defining appropriate boundaries for the defence of insanity and the doctrine of automatism this book presents a consistent and principled approach to the reform of mental state defences In particular by undertaking an interdisciplinary analysis of the various factors that inform these defences the book concludes with several practical and robust reform proposals There are three objectives that underpin the suggested reform proposals First to ensure that an accused will be able to raise a defence of insanity for involuntary conduct arising from mental disorder even where he or she is aware of the nature and quality of such conduct Second to provide principled means by which to establish the criminal responsibility of an accused for conduct performed in a state of drug induced psychosis Third to ensure that criminal conduct arising from a state of impaired consciousness does not automatically result in the outright acquittal of an accused In articulating the competing demands that must be balanced in order to secure a principled approach to the reform of mental state defences the book will be of relevance to all common law countries **Smith, Hogan, and Ormerod's Criminal Law** David Ormerod,Karl Laird,2018 Smith Hogan Ormerod s Criminal Law is rightly regarded as the leading doctrinal textbook on criminal law in England and Wales Published in its first edition over fifty years ago it continues to be a key text for undergraduates and an essential reference source for practitioners **Defences in Contemporary International Criminal Law** Geert-Jan Knoops,2021-10-25 In an area of law so thoroughly politicized culturally freighted and passionately punitive there is need for an extraordinary measure of protection for the accused if we are to pay more than lip service to justice Defenses in Contemporary International Criminal Law ventures farther into this uneasy territory than any previous work offering a meticulous analysis of the case law in the post World War II Military Tribunals and the ad hoc tribunals for Rwanda and the Former Yugoslavia with particular attention to the defenses developed their rationales and their origins in various municipal systems It analyzes the defense provisions in the charters and statutes underlying these tribunals and the new International Criminal Court Dr Knoops conceptual reach not only includes the defenses recognized in the field s jurisprudence and scholarship superior orders duress self defense insanity necessity immunity of States but also presents a strong case for the incorporation of genetic and neurobiological data into the working assets of the international criminal defense attorney Published under the Transnational Publishers imprint **Smith, Hogan, and Ormerod's Essentials of Criminal Law** David|Child Ormerod (John),2025 *Corporate Criminality and Liability for Fraud* Alison Cronin,2018-03-14 Through a rational reconstruction of orthodox legal principles and reference to cutting edge neuro science this book reveals some startling truths about the criminal law its history and the fundamental doctrines that underpin the attribution of criminal fault While this has important implications for the criminal law generally the focus of this work is the development of a theory of corporate criminality that accords with modern theory of group agency itself informed by advancements in contemporary

philosophy and social science The innovation it proposes is the theoretical and practical means by which criminal fault can be attributed directly to the corporate actor where liability cannot or should not be reduced to its individual members **The Philosophy of Psychiatry** Jennifer Radden, 2004-06-10 This is a comprehensive resource of original essays by leading thinkers exploring the newly emerging inter disciplinary field of the philosophy of psychiatry The contributors aim to define this exciting field and to highlight the philosophical assumptions and issues that underlie psychiatric theory and practice the category of mental disorder and rationales for its social clinical and legal treatment As a branch of medicine and a healing practice psychiatry relies on presuppositions that are deeply and unavoidably philosophical Conceptions of rationality personhood and autonomy frame our understanding and treatment of mental disorder Philosophical questions of evidence reality truth science and values give meaning to each of the social institutions and practices concerned with mental health care The psyche the mind and its relation to the body subjectivity and consciousness personal identity and character thought will memory and emotions are equally the stuff of traditional philosophical inquiry and of the psychiatric enterprise A new research field the philosophy of psychiatry began to form during the last two decades of the twentieth century Prompted by a growing recognition that philosophical ideas underlie many aspects of clinical practice psychiatric theorizing and research mental health policy and the economics and politics of mental health care academic philosophers practitioners and philosophically trained psychiatrists have begun a series of vital cross disciplinary exchanges This volume provides a sampling of the research yield of those exchanges Leading thinkers in this area including clinicians philosophers psychologists and interdisciplinary teams provide original discussions that are not only expository and critical but also a reflection of their authors distinctive and often powerful and imaginative viewpoints and theories All the discussions break new theoretical ground As befits such an interdisciplinary effort they are methodologically eclectic and varied and divergent in their assumptions and conclusions together they comprise a significant new exploration definition and mapping of the philosophical aspects of psychiatric theory and practice **The Professional Psychologist's Handbook** Bruce D. Sales, 2013-06-29 **Review of Commonwealth Criminal Law** Australia. Attorney-General's Department, 1990 Treatise on International Criminal Law Kai Ambos, 2021 This is the first volume of an authoritative three volume treatise on international criminal law The text provides comprehensive treatment of issues relevant to the foundations general part of international criminal law and general principles of international criminal justice **Crime, Reason and History** Alan Norrie, 2001-10 This work provides a challenging approach to the study of criminal law offering a critical introduction to the law s general principles and in contrast to orthodox criminal law texts emphasizes the tensions and contradictions that lie at their heart **Smith, Hogan, and Ormerod's Essentials of Criminal Law** David Ormerod, John Child, 2023-07-12 Smith Hogan Ormerod s Essentials of Criminal Law takes students to the heart of this fascinating subject providing focused expert coverage alongside a wealth of student friendly learning features to aid study This is the perfect gateway into criminal law
