

A romantic couple embracing in a kitchen. The man, with dark hair and a white shirt, is smiling and holding the woman from behind. The woman, with long brown hair and wearing a purple dress, is looking up at him with a smile. They are standing in front of a kitchen counter with a tiled backsplash. A green bottle and a glass of red wine are visible on the counter to the right.

Queer Bergman Daniel Humphrey,2013-03-15 One of the twentieth century's most important filmmakers indeed one of its most important and influential artists Ingmar Bergman and his films have been examined from almost every possible perspective including their remarkable portrayals of women and their searing dramatizations of gender dynamics Curiously however especially considering the Swedish filmmaker's numerous and intriguing comments on the subject no study has focused on the undeniably queer characteristics present throughout this nominally straight auteur's body of work indeed they have barely been noted *Queer Bergman* makes a bold and convincing argument that Ingmar Bergman's work can best be thought of as profoundly queer in nature Using persuasive historical evidence including Bergman's own on the record though stubbornly ignored remarks alluding to his own homosexual identifications as well as the discourse of queer theory Daniel Humphrey brings into focus the director's radical denunciation of heteronormative values his savage and darkly humorous deconstructions of gender roles and his work's trenchant if also deeply conflicted attacks on homophobically constructed forms of patriarchal authority Adding an important chapter to the current discourse on GLBT queer historiography Humphrey also explores the unaddressed historical connections between post World War II American queer culture and a concurrently vibrant European art cinema proving that particular interrelationship to be as profound as the better documented associations between gay men and Hollywood musicals queer spectators and the horror film lesbians and gothic fiction and others
