Dr. Pitman B. Potter,2014-04-24 This book examines the linkages between the music and message of the Grateful Dead and the Christian gospel The Grateful Dead emerged from the San Francisco hippie scene in the late 1960s and offered a message of community and divine encounter While the Dead drew on the teachings of many spiritual traditions the band s ethos echoed quite powerfully the wisdom of Christian Scripture This reflection examines the ways in which the Grateful Dead embodied Christian teachings in areas of community praise and service The Grateful Dead left an enduring legacy whose power and longevity stem in significant part from the confluence of values between the Gospel and Grateful Dead Billboard ,1985-02-02 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *CMJ New Music Monthly* ,2007-08 *CMJ New Music Monthly* the first consumer magazine to include a bound in CD sampler is the leading publication for the emerging music enthusiast NMM is a monthly magazine with interviews reviews and special features Each magazine comes with a CD of 15 24 songs by well established bands unsigned bands and everything in between It is published by CMJ Network Inc *Then Sings My Soul* Douglas Harrison,2012-05-15 In this ambitious book on southern gospel music Douglas Harrison reexamines the music s historical emergence and its function as a modern cultural phenomenon Rather than a single rhetoric focusing on the afterlife as compensation for worldly sacrifice Harrison presents southern gospel as a network of interconnected messages

that evangelical Christians use to make individual sense of both Protestant theological doctrines and their own lived experiences Harrison explores how listeners and consumers of southern gospel integrate its lyrics and music into their own religious experience building up individual and potentially subversive meanings beneath a surface of evangelical consensus Reassessing the contributions of such figures as Aldine Kieffer James D Vaughan and Bill and Gloria Gaither Then Sings My Soul traces an alternative history of southern gospel in the twentieth century one that emphasizes the music's interaction with broader shifts in American life beyond the narrow confines of southern gospel's borders His discussion includes the gay gospel paradox the experience of non heterosexuals in gospel music as a cipher for fundamentalism's conflict with the postmodern world Billboard, 1997-07-12 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

The Christian Union Henry Ward Beecher, 1873 Do You Remember? Trenton Bailey, 2022-12-28 In *Do You Remember Celebrating Fifty Years of Earth Wind Fire* Trenton Bailey traces the humble beginning of Maurice White his development as a musician and his formation of Earth Wind Fire a band that became a global phenomenon during the 1970s By the early 1980s the music industry was changing and White had grown weary after working constantly for more than a decade He decided to put the band on hiatus for more than three years The band made a comeback in 1987 but White's health crisis soon forced them to tour without him During the twenty first century the band has received numerous accolades and lifetime achievement and hall of fame awards The band remains relevant today collaborating with younger artists and maintaining their classic sound Earth Wind Fire stood apart from other soul bands with their philosophical lyrics and extravagant visual art much of which is studied in the book including album covers concerts and music videos The lyrics of hit songs are examined alongside an analysis of the band's chart success Earth Wind Fire has produced twenty one studio albums and several compilation albums Each album is analyzed for content and quality Earth Wind Fire is also known for using ancient Egyptian symbols and Bailey thoroughly details those symbols and Maurice White's fascination with Egyptology After enduring many personnel changes Earth Wind Fire continues to perform around the world and captivate diverse audiences

Form vs. Work Ildar D. Khannanov, 2024-02-27 The antinomy of musical work and musical form has been central for music theory for centuries Musical work is complete and all inclusive which makes it an ideal object of study However the teaching of musical form albeit selective is self sufficient and epistemologically sovereign The book offers both the historical overview and the analytical discourse on this antinomy in both Western and Russian perspectives It presents an insider's view of the latter and contains materials never previously published The Humanities, Cultural Roots and Continuities: Three cultural roots Mary Ann Frese Witt, 1980 *Theology and the Avett Brothers* Alex Sosler, 2023-05-22 The Avett Brothers sing of a spiritual yearning present in modern culture Without being overtly religious theological underpinnings are

prevalent in their music The contributors in this book delve into the Avett Brother s explicit and implicit theology with an eye on how they help make sense of our secular age Theology and the Avett Brothers offers a rich contemplation on how these brothers from North Carolina help listeners navigate the religious consciousness of today s world exploring themes like the good life virtue formation empathy ministry models and dying *The Routledge Companion to the Sound of Space*
