Transformation and Trouble Diana Gordon, 2009-09-23 Crime is one of the major challenges to any new democracy Violence often increases after the lifting of authoritarian control or in the aftermath of regime change But how can a fledgling democracy fight crime without violating the fragile rights of its citizens In *Transformation and Trouble* accomplished theorist and criminal justice scholar Diana

Gordon critically examines South Africa's efforts to strike the perilous balance between democratic participation and social control. South Africa has made great progress in pursuing the Western ideals of participatory justice and due process. Yet Gordon finds that popular concerns about crime have fostered the growth of a punitive criminal justice system that undermines the country's rights-oriented political culture. Transformation and Trouble calls for South Africa to reaffirm its commitment to public empowerment by reforming its criminal justice system an approach she argues that would strengthen the country's new democracy. An eloquent critical but ultimately optimistic analysis of the democratization of crime and justice in post-apartheid South Africa. Bill Dixon School of Criminology Education Sociology and Social Work Keele University. A must read for understanding contemporary South Africa's agonizing dilemmas as it struggles to reconcile crime control with democratic values. Jerome H Skolnick New York University School of Law. Gordon's vast experience with criminal justice illuminates her cautionary tale of the search for a new way in South Africa. Paul Chevigny New York University. Diana Gordon is Professor Emerita of Political Science and Senior Research Scholar City University of New York. Epistemic Justice and the Postcolonial University Amrita Pande, Ruchi Chaturvedi, Shari Daya, Sepideh Azari, Koni Benson, Hal Cooper, Kerusha Govender, Shose Kessi, Nomusa Makhubu, Athambile Masola, Lungisile Ntsebeza, Jameelah Omar, Kealeboga Ramaru, Ari Sitas, Rike Sitas, 2023-08-01. This book addresses urgent current debates on decolonisation by offering reimagined teaching and learning interventions for obtaining greater epistemic justice in the contemporary postcolonial university. At a time when debates on decolonisation have gained urgency in academic civic and public spaces this interdisciplinary collection by authors based at the University of Cape Town South Africa serves as a valuable archive documenting and reflecting on a turbulent period in South African higher education. It is an important resource for academics looking to grasp debates on decoloniality both in South Africa and in university and teaching spaces further afield. Calling for concerted and collaborative work towards greater epistemic justice across diverse disciplines the book puts forward a new vision of the postcolonial university as one that enables excellent teaching and learning undertaken in a spirit of critical consciousness and reciprocity.

The Routledge International Handbook on Decolonizing Justice Chris Cunneen, Antje Deckert, Amanda Porter, Juan Tauri, Robert Webb, 2023-07-03. The Routledge International Handbook on Decolonizing Justice focuses on the growing worldwide movement aimed at decolonizing state policies and practices and various disciplinary knowledges including criminology social work and law. The collection of original chapters brings together cutting edge politically engaged work from a diverse group of writers who take as a starting point an analysis founded in a decolonizing decolonial and/or Indigenous standpoint. Centering the perspectives of Black First Nations and other racialized and minoritized peoples the book makes an internationally significant contribution to the literature. The chapters include analyses of specific decolonization policies and interventions instigated by communities to enhance jurisdictional self-determination theoretical approaches to decolonization the importance of research and research ethics as a key foundation of the decolonization.

process crucial contemporary issues including deaths in custody state crime reparations and transitional justice and critical analysis of key institutions of control including police courts corrections child protection systems and other forms of carcerality The handbook is divided into five sections which reflect the breadth of the decolonizing literature Why decolonization From the personal to the global State terror and violence Abolishing the carceral Transforming and decolonizing justice Disrupting epistemic violence This book offers a comprehensive and timely resource for activists students academics and those with an interest in Indigenous studies decolonial and post colonial studies criminal legal institutions and criminology It provides critical commentary and analyses of the major issues for enhancing social justice internationally The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license
