South African National Defence Force Application Forms 2016:

South Africa's Post-Apartheid Military Lindy Heinecken, 2020-01-01 This timely book examines how the South African National Defence Force has adapted to the country's new security political and social environment since 1994. In South Africa's changed political state, how has civilian control of the military been implemented and what does this mean for defence in a democracy? This book presents an overview of the security environment, how the mission focus of the military has changed and the implications for force procurement, force preparation, force employment and force sustainability. The author addresses other issues such as the effect of integrating former revolutionary soldiers into a professional armed force, the effect of affirmative action on meritocracy, recruitment and retention, military veterans looking at the difficulties they face in reintegrating back into society and finding gainful employment, gender equality and mainstreaming the rise of military unions and why a confrontational instead of a more corporatist approach to labour relations has emerged. HIV/AIDS and the consequences this holds for the military in terms of its operational effectiveness. In closing, the author highlights key events that have caused the SANDF to become lost in transition and transformation, spelling out some lessons learned. The conclusions she draws are pertinent for the future of defence security and civil-military relations of countries around the world.

Counter-Insurgency in Nigeria Akali Omeni, 2017-09-08 This book offers a detailed examination of the counter-insurgency operations undertaken by the Nigerian military against Boko Haram between 2011 and 2017. Based on extensive fieldwork conducted with military units in Nigeria, Counter-Insurgency in Nigeria has two main aims. First, it seeks to provide an understanding of the Nigerian military's internal role, a role that today, as a result of internal threats, pivots towards counter-insurgency. The book illustrates how organizational culture, historical experience, institutions and doctrine are critical to understanding the Nigerian military and its attitudes and actions against the threat of civil disobedience today and in the past. The second aim of the book is to examine the Nigerian military campaign against Boko Haram insurgents, specifically plans and operations between June 2011 and April 2017. Within this second theme, emphasis is placed on the idea of battlefield innovation and the reorganization within the Nigerian military since 2013 as the Nigerian Army and Air Force recalibrated themselves for COIN warfare. A certain mystique has surrounded the technicalities of COIN operations by the Army against Boko Haram and this book aims to disperse that veil of secrecy. Furthermore, the work's analysis of the air force's role in counter-insurgency is unprecedented within the literature on military warfare in Nigeria. This book will be of great interest to students of military studies, counter-insurgency, counter-terrorism, African politics and security studies in general.

Militarised Responses to Transnational Organised Crime Tuesday Reitano, Sasha Jespersen, Lucia Bird Ruiz-Benitez de Lugo, 2017-10-06 This edited volume examines the use of militarised responses to different forms of criminal activity, discussing the outcomes and unintended consequences. Politicians and policymakers frequently use militarised responses to look tough on crime. The deployment of armies, navies, military assets and militarised approaches can send a powerful

message but have produced mixed results While they generate the perception that governments are actively engaged on issues of concern to the public and in some cases have resulted in notable successes on the downside they have frequently also increased the loss of life exacerbated the humanitarian consequences of a particular crime and entrenched divides between security and state institutions and the criminal proponents narrowing the possibilities for future negotiated solutions By focusing on four different areas of criminality wildlife crime piracy migration and drug trafficking the book allows context and evidence based conclusions to be drawn on the strategic value and commonality of responses and their outcomes **The Palgrave Handbook of Small Arms and Conflicts in Africa** Usman A. Challenging the United Nations Peace and Security Agenda in Africa

Dawn Nagar, 2021-09-29 This book concerns the United Nations peacemaking peacekeeping peace building and post conflict reconstruction efforts in Africa from 1960 to 2021 Succinctly discussed are historic and contemporary peace security and economic engagements within 18 countries spanning eight African regions the Great Lakes the Economic Community of Central African States East Africa the Horn of Africa North Africa the Sahel Region West Africa and Southern Africa The book develops a neo realist and imperialist critique that discusses how resource rich conflict ridden states have become easy targets for capitalists terrorists and transnational crime aligned to geostrategic parochial interests Critically argued is that endogenous economic growth factors if applied effectively can achieve both peace and security and meet the Global Sustainable Development Goals Such efforts require constructive engagement with the five permanent members of the UN Security Council China France Russia the UK and the US However the book contends that the cornerstone of multilateral engagement involves Africa's 55 states and the African Union's three major pillars the Peace and Security Council the African Governance Architecture and the Post Conflict Reconstruction Development Centre which have the ability to move resource rich conflict ridden states out of transnational crime and poverty This book offers wide ranging analyses of contemporary African diplomacy and a compelling critique of UN peacekeeping efforts in Africa which resonates to scholars of international relations peace and conflict studies and African politics

Values, Interests and Power: South African foreign policy in uncertain times Daniel D. Bradlow, Elizabeth Sidiropoulos, 2020-01-01 About the publication South Africa's foreign policy makers are facing a substantial challenge From the advent of the democratic era in 1994 through to the early 2000s South Africa was a highly respected actor in international affairs with a number of impressive accomplishments in the areas of global governance peacekeeping and international norm entrepreneurship However since that time the country's international standing has declined The value based and innovative foreign policy that earned the early post apartheid South African government such great international respect has been replaced by a more transactional and tactically driven approach to international affairs The country's position as Africa's leading economy and voice in international affairs is increasingly being challenged by other African states This book explores how South Africa can develop a foreign policy strategy that is appropriate to the uncertain times in which we live and that both helps the country address its overwhelming domestic challenges of poverty inequality and unemployment and regain its former high international reputation The contributors to this book offer analyses and proposals for developing such a strategy within the context of the country's constitutional order and institutional constraints and that addresses the diverse and complex global and regional aspects of the country's international relations Endorsements In this valuable book which should be on every diplomat's bookshelf some of SA's foremost experts offer the government frank and compelling advice on how to conduct a much better foreign policy over the next decade The authors challenge Pretoria to muster all the country's assets and skills and not just those of the

South Africa and United Nations Peacekeeping Offensive Operations

Antonio Garcia, 2018-08-17 The creation of the Force Intervention Brigade FIB as the sharp tactical edge of the United Nations Stabilisation Mission in the Democratic Republic of the Congo MONUSCO tasked with the neutralising of armed groups was a watershed moment in the history of modern peace missions What was more significant was that sub Saharan national leaders were instrumental in the creation of the FIB South Africa Tanzania and Malawi but lacked the resources to deploy such a force and consequently the brigade was deployed under the banner of the UN With the legacy of an African Renaissance and its role in the conception of the FIB South Africa remains a critical player in international peace and security in sub Saharan Africa and therefore holds a key strategic role in achieving the FIBs objectives This comes at a critical time where blue helmets are increasingly exposed to complex and challenging security contexts The aim of this work is to provide a conceptual model for South African military future operations and UN offensive peacekeeping operations In this undertaking a layer of military and Clausewitzian theory is added to offensive peacekeeping operations Furthermore there are sections on operational constructs capstone and operating concepts doctrine and structural elements as well a section on mine action This book contributes towards an understanding of the nature of modern strategy through the lens of UN offensive peacekeeping operations and provides insights into operational challenges

Terrorism and Counter-Terrorism in Modern Sub-Saharan Africa

János Besenyő, Moses B. Khanyile, David Vogel, 2024-07-15 Acts of terrorism and forms of counter terrorism have been evolving for quite a long time Although we have been living with these phenomena for centuries they have only recently become part of the daily lives of many in the West since the dawn of the millennium In some countries they have become so prevalent that they shape the daily lives and habits of citizens For these reasons it is of utmost importance for all of us to understand the root causes the drives and the motives behind terrorist activities preferably even before they can materialize In this challenge counter terrorism activities play a crucial role In this book contributors from various disciplines discuss terrorism and counter terrorism on the African continent through case
