Southern Recipe Restaurant:

Southern Routes Ben Vaughn, 2015-09-15 In most of Ben's experiences the humble Southern chefs share their long protected family recipes but it's not an adventure if everyone cooperates. Some of these institutions guard their recipes like members of the family. To the untrained eater the secret ingredients it takes to create such an iconic dish would remain a bewitching mystery without the original formula. However Ben's journey and mission is to deliver the most amazing 100 Southern recipes in Southern Routes. With his charm and ability in the kitchen award winning chef author and Food Network host Ben Vaughn acquired each recipe one way or another. If he was unable to get the recipe directly from the source Ben replicated it himself only having tasted the dish. After deciphering the exact mix of ingredients his recipe was put to the test when the recipe gatekeeper gave him the thumbs up. Southern Routes highlights iconic Southern kitchens all throughout the Delta such as Mat Our Way Caf in Decatur Georgia, McMel's City Caf, Dipsy Doodle and Wendell Smith's Restaurant in Tennessee and Martha's Menu in Mississippi. This book is more than a recipe book but instead a soulful informative ride through the most delicious parts of America. Experience the real recipes, real people and real stories as Ben journeys through the South exploring Southern Routes.

Real Southern Barbecue Kaitland M. Byrd, 2019-07-11 This book examines how processes and rhetoric surrounding a specific food product and food culture as a whole shape the food appearing on our plates and how they impact people's health and market dynamics. The book takes an in-depth look at barbecue chefs and restaurant owners to triangulate the relationship between producers and their products. It explores the intersection of deindustrialization, commercialization and changing health concerns as well as the changes in food culture highlighting the need for producers to justify their positioning in response to commercialization and changing environmental laws and concerns. Finally it analyzes the creation of authentic food products and questions how these products evolve over time in response to changes in broader society.

Southern Country Cooking from the Loveless Cafe Michael Stern, Jane Stern, 2005-04-02 Beginning as a party house in the forties the then private home had one of the largest hardwood living room floors around perfect for dancing the night away. In the fifties it was known as the Harpeth Valley Tea Room owned by Lon and Annie Loveless. In 1951 it became the Loveless Cafe and in the seventies and eighties the modest roadside eatery that once had been Nashville's secret went national. Discovered by food writers the Loveless found itself recognized as a precious cultural institution. As fast food gained popularity travelers were looking for old fashioned country cooking. The Loveless Cafe is like stepping back in time where the biscuits and jams are made from scratch and the pork is cooked until the meat falls off the bone. It's an institution in Nashville and a favorite destination of celebrities and locals alike. The Loveless offers an authentic experience that reminds people of their childhood and of great southern traditions. One of the five Best Places in America for Breakfast CBS This Morning. If you want to taste the best country cooking anywhere you just need to go to my favorite restaurant The Loveless Cafe. Everything they serve is great. I guarantee it.
