Alison's Slow Cooker Chicken Recipes - Time Saving, Easy to Make, Mouth Watering Meals with Slow Cooker Vol. 2 Alison Kowalski, 2015-06-09 In today's modern age it's hard to find the kind of cooking that I grew up with. When I was a child, cooking was a family activity that was always spearheaded by my grandmother, the matriarch of my family. These days I noticed how many different children are now growing up without home-cooked meals or the dinners cooked with love by their parents. It's a shame and it's something that needs to be corrected. In this cookbook, instead of jamming it with hundreds of recipes that you would probably never use, I have hand-picked 50 of my family's most favorite slow cooker chicken recipes. They are the best of the best. Not only are they delicious but also very easy to prepare, perfect for anyone who is leading a busy lifestyle and simply doesn't have the time to cook. Just imagine a great meal your whole family would enjoy that only takes 10-15 minutes to prepare, then just let the slow cooker or Crockpot do its magic while you are at work. The dinner would be ready when everyone walks in the door. The Table of Contents allows you to go to any individual recipe with a single click. So go ahead, try them out and mix them up. May they serve you and your family as well as they have served mine.
