Sexual Offending by Strangers Paul V. Greenall, 2024-08-01 Exploring a specific type of sexual violence committed by a specific type of sexual offender namely adult male on adult female stranger sexual violence this book provides readers with an enhanced understanding of both the offences being committed and the offenders who commit them Although acts of serious stranger sexual violence are rare they are important as they occur in the context of there being no pre existing relationship between the offender and victim meaning they present significant challenges to criminal justice practitioners who are required to investigate assess and understand such offending Arguing for the importance of adopting an ideographic perspective this book encourages readers to draw upon a variety of different theories and models as appropriate such as considering the impact of a behavioural conditioning process where sexual violence is a manifestation of prior learning or early life experiences Divided into four sections this comprehensive volume guides the reader through key concepts different types of stranger sexual violence and applications to criminal justice practice Sexual Offending by Strangers will be of use to police officers prison officers and practitioners working with offenders in either secure or community settings It will also be of value to students and scholars researching the topic of sexual violence

Cases in Clinical Forensic Psychology Margo C. Watt, 2023-11-01 Clinical forensic psychology is defined by the application of clinical psychology assessment diagnosis treatment and consultation in legal contexts The term captures the integration of clinical psychology as an applied professional discipline and forensic psychology as an experimental discipline Cases in Clinical Forensic Psychology offers a series of case studies that allow readers to take an up close and personal look at the criminal justice system in Canada Clinical forensic psychologist Margo C Watt examines the particulars of each case including the biological psychological social cultural and legal factors The book takes an evidence based approach and highlights how the science of clinical forensic psychology informs all aspects of criminal cases police

investigative techniques eyewitness testimony pretrial publicity jury selection and decision making forensic evaluations psychological autopsies mental health in corrections and more Examining incidents ranging from false confessions to wrongful convictions to deaths in custody and the criminals who got away Cases in Clinical Forensic Psychology questions how and why these events happened and considers what we can learn from them The Structures of the Criminal Law R. A. Duff, Lindsay Farmer, S. E. Marshall, Massimo Renzo, Victor Tadros, 2011-12-08 Criminalization is a new series arising from an interdisciplinary investigation into the issue of criminalization focussing on the principles and goals that should guide decisions about what kinds of conduct are to be criminalized and the forms that criminalization should take Developing a normative theory of criminalization the six volumes will tackle the key questions at the heart of issue By reference to what principles and goals should legislations decide what to criminalize How should criminal wrongs be classified and differentiated And how should law enforcement officials apply the law s specification of offences The second volume in the series concerns itself with the structures of criminal law in three different senses The first examines the internal structure of the criminal law itself and the questions posed by familiar distinctions between which offences are typically analysed These questions of classification include discussion of the growing range of crimes and the problems posed by this broadening of definition Should traditional ideas and conceptions of the criminal law be reshaped in light of recent developments or should these developments be criticized and refuted Structures of criminal law also refer to the place of the criminal law within the larger structure of the law Here the book examines the relationships with and between the criminal law and other aspects of law particularly private law and public law It also looks at how the criminal law is made and by whom Finally the third sense of structure is outlined the relationships between legal structures and social and political structures What place does the criminal law have within the existing political and social landscapes What are the influences both political and social upon the criminal law and should they be allowed to influence the law in this fashion What is its proper role Focussing not only on the questions about the criminal law s proper scope but also on crucial questions about how crimes should be structured defined and classified this book provides a deeper understanding of criminalization Sexual Murderers Jean Proulx, Eric Beauregard, Maurice Cusson, Alexandre Nicole, 2007-09-10 Little is known about Sexual Murderers those who kill in a sexual context Recent studies have compared their backgrounds and characteristics with that of rapists and or violent non sexual offenders This translation of a French original by the renowned Jean Proulx challenges existing knowledge on sexual murders offers new tools for profiling and interrogation and helps to establish a new research base Current theories of sexual murder its prevalence reasons including attachment theories profiling and interrogation techniques are all addressed in Proulx s distinctive thought provoking style **Sexual Murder** Louis B. Schlesinger, 2021-03-22 Sexual Murder Catathymic and Compulsive Homicides is the culmination of the author s 45 years of experience with and studying sexually motivated homicide Sexual murders are generally of two types catathymic and compulsive Catathymic homicides are caused by a

breakthrough of underlying sexual conflicts They can be unplanned explosive acute attacks or planned murders stemming from a chronic obsession with or disturbed attachment to the victim In compulsive homicides a fusion of sex and aggression results in a powerful internal drive which pushes the offender to seek out victims to kill and the killing itself is sexually gratifying These murders also may be planned or unplanned In compulsive homicides that are unplanned the urge breaks through and disrupts the offender's controls when a victim of opportunity crosses his path The compulsive offender who plans his crimes often eludes law enforcement and as a result he can have multiple serial victims over extended periods of time Both forms of sexual murder the catathymic and the compulsive are presented in this volume from a clinical descriptive perspective encompassing case studies with analysis Recent advances in empirical research in sexual murder including findings from the joint research project between John Jay College of Criminal Justice and the FBI Behavioral Analysis Unit in Quantico has published many important studies These include such topics as necrophilia foreign object insertions in sexual homicide ritual and signature and temporal patterns in serial sexual homicide mass murder crime scene staging in homicide and undoing symbolic reversal at homicide scenes All such research will be included and incorporated into this fully updated Second Edition including approximately fifty new clinical case studies Barry MacSweeney and the Politics of Post-War British Poetry Luke Roberts, 2017-03-18 This book examines the literary impact of famed British poet Barry MacSweeney who worked at the forefront of poetic discovery in post war Britain Agitated equally by politics and the possibilities of artistic experimentation Barry MacSweeney was ridiculed in the press his literary reputation only recovering towards the end of his life which was cut short by alcoholism With close readings of MacSweeney alongside his contemporaries precursors and influences including J H Prynne Shelley Jack Spicer and Sylvia Plath Luke Roberts offers a fresh introduction to the field of modern poetry Richly detailed with archival and bibliographic research this book recovers the social and political context of MacSweeney's exciting challenging and controversial impact on modern and contemporary poetry *Managing High Risk Sex Offenders in the Community* Jackie Craissati, 2004-06-02 How can a psychological framework improve the success of risk management The management of sex offenders in the community is of paramount concern to the general public and this is reflected in the numerous recent changes to public protection procedures *Managing High Risk Sex Offenders in the Community* covers both the assessment and management of high risk sex offenders in the community with an emphasis on evidence based approaches The reader will be able to access the most widely used actuarial approaches to risk assessment and understand the clinical themes that underpin such variables The book answers questions including Are sex offenders likely to escalate their behaviour if not stopped Is the risk on the streets or at home Can we differentiate between those offenders who will and those who will not reoffend This book links psychologically based theoretical principles with practical considerations for professionals in the field By demystifying the current state of knowledge on risk posed by sex offenders practitioners will be well placed to engage in defensible decision making and strive for best practice in the community

Bad Girls and Dirty Pictures Alison Assiter, Avedon Carol, 1993 For well over a decade half baked analysis and phony science have been used by some feminists to side track the women s movement into puritanical campaigns against sexual material and imaginative sexual exploration Many feminists would say that this widely publicised version of feminism is itself sexist and that the increasingly vocal anti pornography campaigns are founded on theoretical dead ends that have allowed feminists to deviate drastically from the basic goals of women s liberation *Bad Girls Dirty Pictures* puts these anti sex anti porn arguments under the microscope of a more thorough and considered feminist analysis It examines the flaws in the research that purports to prove the harm of pornography and warns against the continuing use of censorship by politicians and the moral right as well as exposing the dangers of anti porn feminist arguments Contributions from a wide range of women including sex workers and academics remind us that pornography does not have a special place in our oppression and that censorship must still be seen as dangerous enemy of women *Bad Girls Dirty Pictures* is a much needed antidote to falsehoods shabby thinking and patronising sexism that have fuelled anti pornography campaigns and misled the women s movement **The Ashgate Research Companion to Lesbian and Gay Activism** Professor Manon Tremblay, Dr David Paternotte, 2015-09-28 The Ashgate Research Companion to Lesbian and Gay Activism provides scholars and students with a comprehensive and authoritative state of the art review of the current research in this subject Each of the twenty two specially commissioned chapters develops and summarises their key issue or debate in relation to activism that is the claims strategies and mobilisations including internal debates and divisions impediments and state responses of the lesbian and gay movement By drawing together leading scholars from political science sociology anthropology and history this companion provides an up to the minute snapshot of current scholarship as well as signposting several fruitful avenues for future research *The Paraphilias* J. Paul Fedoroff, 2019 *The Paraphilias Changing Suits in the Evolution of Sexual Interest Paradigms* examines current and past perspectives concerning unconventional sexual interests associated with both criminal and non criminal activities The book provides extensive case histories and tables summarizing over 100 paraphilias and the

latest research regarding them It also reviews diagnostic criteria for the paraphilias *The Oxford Handbook of Infidelity*
Tara DeLecce, Todd K. Shackelford, 2022 This handbook showcases a broad range of infidelity topics through perspectives in
social psychology evolutionary psychology and other areas of research on romantic relationships It discusses the processes of
infidelity alongside sources of variation such as sexual orientation developmental life history individual differences and
culture for the broader social scientific community interested in fidelity in romantic relationships

Sm Sex Murder English Edition: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Sm Sex Murder English Edition : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
