Children's Fiction Sourcebook Margaret Hobson, Jennifer Madden, Ray Prytherch, 2018-12-17 First published in 1992 this Sourcebook is a basic working tool for all those concerned with children's reading. It will help librarians and teachers to select a comprehensive stock of children's fiction for their institutions. The authors in the sourcebook have been selected on the grounds of importance, popularity and current availability. Author entries are arranged in alphabetical order and indexes provided by title, series, age range and genre. Each entry consists of some background information and evaluative comment on style of the book, a list of the author's books with publisher, date and price and literary agent where applicable. There is a suggestion of similar authors, sequels, related series and reader age range. **Bookbird**, 1992 *Help Your Talented Child* Barry Teare, 2007-08-09 An up-to-date guide on the developments on the provision for gifted children complete with imaginative activities to challenge and stimulate able and talented children. **Even Hockey Players Read** David Booth, 2002 Whitehots May 14/04 **Storytimes for Children** Stephanie G. Bauman, 2010-11-10 This text presents a compilation of the best of ideas from a group of library science graduate students providing creative and engaging programs geared especially for children ages 0-12. What are the concepts, activities and topics that will hold the attention of today's children? And what are the best ways to provide a valuable learning experience while they're having fun and being entertained? Many of the most original, creative and wildly effective ideas in storytime are contained in *Storytimes for Children*, a collection of fresh and vibrant programs created to be relevant, interesting and fun for today's youngest generations. This collection of themed storytimes includes suggestions for opening and closing sessions, crafts and activities, songs, poems, fingerplays and movements as well as the accompanying literature. Several of the included storytimes comprise a series of programs allowing for related activities that build upon each other. The text is organized into six chapters, each prefaced by an introduction that clarifies the strengths of the programs within. Each chapter covers a highly targeted age range to give practitioners the ability to easily choose the most appropriate storytimes for any given audience.

Contemporary British Poetry James Acheson, Romana Huk, 1996-09-12 Devoted to close readings of poets and their contexts from various postmodern perspectives, this book offers a wide-ranging look at the work of feminists and post-feminist poets, working-class poets and poets of diverse cultural backgrounds as well as provocative readings of such well-established and influential figures as Donald Davie, Ted Hughes, Geoffrey Hill and Craig Raine. Contributors include many respected theorists and critics such as Antony Easthope, C. L. Innes, John Matthias, Edward Larrissy, Linda Anderson, Eric Homberger, Alastair Niven, R. K. Meiners and Cairns Craig, in addition to new writers working from new theoretical perspectives. Their approaches range from cultural theory to poststructuralism; each essayist addresses a general audience while engaging in debates of interest to postgraduates and specialists in the fields of twentieth-century poetry and cultural studies. The book's strength lies in its diversity at every level. **Navigating My Autism & ADHD** Mogamad Salie, 2025-07-11 The intersections of neurodiversity, humanity and technology. **Tuesday Tales** Rina Ríos, 2023-08-01

Discover the magic in ordinary day with Tuesday Tales Rina has always cherished her deep connection to her ancestry mostly forged through oral histories she was lucky enough to get from her elders When her grandfather died in 2014 she felt the urge to continue sharing family stories both historical and contemporary The range of emotions she shared and evoked in just a few paragraphs left readers wanting more luckily they knew they could count on her every Tuesday for almost four years This captivating compilation promises laughter amid hardships and introspection through comic twists Rina s effortless and inviting tone beckons you to delve into tale after tale discovering poignant accounts of hunger on a Colombian beach the lone bridge of Panama sharks and more sharks performing for thousands the intricacies of homeschooling attending hundreds of childbirths surviving harrowing plane malfunctions treacherous ski lifts so many alligators the dangers of automobiles and food poisoning again and again There s magic in the every day Discover it here **International**

Companion Encyclopedia of Children's Literature Peter Hunt,2004-08-02 Children s publishing is a huge international industry and there is ever growing interest from researchers and students in the genre as cultural object of study and tool for education and socialization Play: A Theory of Learning and Change Tara Brabazon,2015-12-12 This book examines the question of why play is a happy and benevolent verb in childhood yet a subjective label of behaviour in adulthood It studies the transformation of the positively labelled term child s play used to refer to our early years into an aberrance or deviation from normal social relationships in later life when we speak of playing up or playing around It answers the question by proposing play as a theory of learning an ideology that circumscribes behaviour and a way of thinking Written by scholars of early childhood through to further and higher education the book presents research on play enacted in a way that arches beyond the specificity of age groups or predictive normative patterns It is international in its focus moving beyond insular inward and parochial educational standards and limitations in one city province state or nation Finally it demonstrates the value of play to educational policy and theories of learning
