*Affirming Identity, Advancing Belonging, and Amplifying Voice in Sororities and Fraternities* Pietro A. Sasso, Mónica Lee Miranda, J. Patrick Biddix, 2024-04-01 In the wake of the AbolishGreekLife and other calls for racial justice the role of identity development also becomes ever increasingly important as we consider how to make the sorority fraternity more inclusive for our students In the end it may really be the power of inclusion on college campuses that leads to many of the educational goals that we yearn for in student growth the formal and informal social interactions bonded in reflective learning that help build social and academic success In this we can celebrate together especially those of us who have romanticized so many bright college years This text is a response to a call for existential exploration as an attempt to critically revivify our understanding of the sorority fraternity experience as it contributes specifically to students identity development and learning The text is grouped around centering their experiences through three A s Amplifying Voice Affirming Identity and Advancing Belonging to highlight the identity experiences of the diverse spectrum of fraternity and sorority members across the intersections of identity so often excluded from the literature Chapters in this text attempt to foreground how the fraternity sorority experience explicitly contributes to these areas of student development across multiple identities including race ethnicity culture gender identity social class and ability Authors critically interrogate systems of oppressions that subjugate marginality from those with intersectional identities to recognize the larger challenges facing the sorority fraternity movement as an attempt to disrupt these systems to better identify influences on identity development

**ENDORSEMENTS** Pietro Sasso and associates are leading a game changing conversation about the impact of fraternity and sorority communal experiences on student identity Pietro Sasso and the contributing authors of this robust text successfully endeavor to inform practice through critical analysis framing important questions and offering pragmatic solutions that are timely relevant and practical in both the academy and the fraternal system This book is a must read for anyone seeking to understand or have a relevant impact on the intersections of sense of belonging identity development and sorority fraternity life Jason L Meriwether Campbellsville University In their most recent book examining contemporary sorority and fraternity life Sasso Biddix and Miranda have curated discerning chapters that expand existing scholarship by exploring the impact of fraternity and sorority membership on identity development belonging and student voice through critical lenses This book should be on the bookshelf of all higher education administrators and faculty Gavin Henning New England College

**Girls on the Verge** Vendela Vida, 2025-06-25 In a fascinating look at how young women are coming of age in America Vendela Vida s *Girls on the Verge* explores a variety of rituals that girls have adapted or created in order to leave their childhoods behind Vida doesn t just observe the rituals she actively participates in them going as far as spending a week at UCLA to experience rush she emerges a Tri Delt She also goes to Miami to learn about the quince the Latin American celebration of a girl s fifteenth birthday to Houston to take part in a debutante ball to Los Angeles and San Francisco to talk to female gang

members to Salem Massachusetts to interview a coven of witches and to Las Vegas to watch young brides take the plunge some of them in drive through wedding chapels With humor insight and illuminating detail she explores girls struggles to forge an identity and secure a sense of belonging through various rituals rituals that they embrace without necessarily understanding the comforts they seek or the repercussions of their often all too adult choices **Pledged** Alexandra Robbins,2011-05-24 Alexandra Robbins wanted to find out if the stereotypes about sorority girls were actually true so she spent a year with a group of girls in a typical sorority The sordid behavior of sorority girls exceeded her worst expectations drugs psychological abuse extreme promiscuity racism violence and rampant eating disorders are just a few of the problems But even more surprising was the fact that these abuses were inflicted and endured by intelligent successful and attractive women Why is the desire to belong to a sorority so powerful that women are willing to engage in this type of behavior especially when the women involved are supposed to be considered sisters What definition of sisterhood do many women embrace Pledged combines a sharp eyed narrative with extensive reporting and the fly on the wall voyeurism of reality shows to provide the answer **Whistled** Dawn Duhamel,2020-09-25 A variety of traumatic personal events including a physical assault a home burglary a school shooting the layoffs of the Great Recession and metoo impacted Dawn Duhamel s life In Whistled she shares her story chronicling the events that shaped her Living under the belief that working hard always pays off and experiencing success that proved her theory Duhamel was unprepared when at the age of fifty an anonymous contrived whistleblower complaint was filed against her ultimately resulting in her controversial termination Blindsided by being fired for the first time the ensuing self doubt suffocated her spirit until after twenty four months of questioning and processing she discovered what truly mattered and the reasons to love herself again Whistled narrates a story of how Duhamel found meaning in loss hope in resiliency and courage in vulnerability For anyone who has been betrayed fired or felt discarded this memoir is about finding your way back to your true and best self [1001 Letters For All Occasions](#) Corey Sandler,Janice Keefe,2004-01-01 Dear Reader Welcome to fictional Smalltown Ohio where every resident knows how to write clear concise attention grabbing letters With more samples than any other book 1001 Letters for All Occasions is the resource any time written communication is in order Letters are still the best way to communicate and the residents of Smalltown are happy to share their best examples with you We provide letters for every personal and business need including apologies business proposals complaints congratulations cover letters invitations condolences thanks and travel letters in three languages Whether you are writing to your bank your child s school or a large government agency our picture perfect sample letters will get you the response you want Sincerely Corey Sandler and Janice Keefe **The Benefits of Friends** Jana Mathews,2022-08-02 In 2011 Jana Mathews s career took a surprising turn What began as an effort for a newly minted college professor to get to know her students turned into an invitation to be initiated into a National Panhellenic Conference sorority and serve as its faculty advisor For the next seven years Mathews attended sorority and fraternity

chapter meetings Greek Week competitions leadership retreats and mixers and formals She also counseled young men and women through mental health crises experiences of sexual violence and drug and alcohol abuse Combining her personal observations with ethnographic field analysis and research culled from the fields of sociology economics and cognitive psychology this thought provoking book examines how white Greek letter organizations help reshape the conceptual boundaries of society's most foundational relationship categories including friend romantic partner and family Mathews illuminates how organizations manipulate campus sex ratios to foster hookup culture broker romantic relationships transfer intimacy to straight same sex friends and create fictive family units that hoard social and economic opportunity for their members In their idealized form sororities and fraternities function as familial surrogates that tether their members together in economically and socially productive ways In their most warped manifestations however these fictive familial bonds reinforce insularity entrench privilege and at times threaten physical safety

**Before You Pledge: Essential Information You Should Know About the Divine Nine** Dr. Michael J. R. Winfield, *Before You Pledge Essential Information You Should Know About the Divine Nine* is an important read for all those considering joining a Black Greek Letter Organization or for anyone wanting to simply learn about the origin of this august body of black men and women The dawn of the twentieth century brought many challenges to young African American students seeking enrollment at all white

college campuses Intense racial prejudice forced many black students to leave predominantly white universities And at the same time on Historically Black College campuses the desire for fellowship through shared social experiences led to the rise of Black Greek life starting with Cornell University in New York Alpha Phi Alpha the first black fraternity formed at a predominantly white university in 1906 would point the way for similar organizations to develop Between 1906 and 1922 eight Black Greek Letter Organizations were formed with a ninth in 1963 Known collectively as the Divine Nine these five fraternities and four sororities would go on to shape the course of Black America Together these young black men and women would face down racial prejudice take the lead in the fight for social justice in the end reshape the American cultural landscape Finally no other group of people can claim to have the sheer degree of accomplishments in all areas of human activity in the United States and in many other parts of the world compared to the Divine Nine
