Bibliographic Guide to Music New York Public Library. Music Division,2004 **Pygmalion, Heartbreak House, and Saint Joan** George Bernard Shaw,2021 Pygmalion Heartbreak House and Saint Joan are widely considered to be three of the most important in the canon of modern British theatre Pygmalion 1912 was a world wide smash hit from the time of its premi re in Vienna 1913 and it has remained popular to this day Shaw was awarded an Academy Award in 1938 for his screenplay of the film adaptation It was of course later made into the much loved musical My Fair Lady Heartbreak House 1917 which was finally performed in 1920

and published in 1921 bares the hallmarks of European modernism and a formal break from Shaw s previous work A meditation on the war and the resultant decline in European aristocratic culture it was perhaps staged too soon after the conflict indeed it did not have the success of his earlier works which was likely due to his experimental aesthetics combined with a war weary audience that sought lighter fare However while this contemporary reception was muted it is now recognised as a modernist masterpiece Saint Joan 1923 marked Shaw s resurrection and apotheosis The first major work written of Joan of Arc after her canonization 1920 the play interrogates the origins of European nationalism in the post war era Like Pygmalion it was an immediate world wide hit and secured Shaw the Nobel Prize for Literature in 1925 Drawing upon the transcripts of Joan s trial Shaw blended his trademark wit to produce a hybrid genre of comedy and history play Despite the historical setting Saint Joan is highly accessible and continues to delight audiences
