Operation Ranch Hand: The Air Force and Herbicides in Southeast Asia, 1961-1971 William A. Buckingham, Jr.,2013-02-22 This book is a study of the process by which herbicidal military policy was made in Southeast Asia The author relates the intense controversy over the effects of the Agent Orange spraying program He connects policy to operations showing how pressure from scientists and disagreements within the government imposed limits on the program He explores the technical difficulties in spraying herbicides and he pays tribute to the Ranch Hand airmen who flew planes low and slow over enemy positions altogether Ranch Hand aircraft took over 7 000 hits Since the 1975 renunciation of the use of herbicides this military episode has remained unique in U S history Includes notes appendices bibliography and photos *Population Redistribution and Development in South Asia* L.A. Kosinski,K.M. Elahi,2012-12-06 The mutual relationship between change in population distribution and its determinants and consequences on one hand and social and economic development on the other is becoming an increasingly important area of concern for researchers policy makers and planners alike During the last several years the International Geographical Union Commission on Population Geography has devoted much of its attention

to this problem and organized a series of international meetings focusing on population redistribution and its ramifications in different parts of the world During one such meeting held in 1980 in Karachi Pakistan some thirty papers were submitted by participants coming mostly from five countries in South Asia Bangladesh India Nepal Pakistan and Sri Lanka The present volume is an outcome of that symposium but it should not be regarded merely as a report of proceedings these have been published separately by the Commission Furthermore all Pakistani papers were published in their original version in a separate volume edited by M I Siddiqi who coordinated local arrangements for the meeting on behalf of Karachi University This present volume offers only a selection of the original papers all substantially edited and thoroughly revised and brings them together with additionally solicited texts All original figures have been redrawn and tables and references have been updated and standardized as much as possible
