Southern Baptists Slayden A. Yarbrough, Michael Kuykendall, 2021-09-09 Southern Baptists have a unique and colorful story. Birthed in the time of slavery controversy, their theology on this and human rights issues has changed as cultural and societal developments occurred. One thing that never changed, however, was their zeal for evangelism. They eventually grew to become the largest Protestant denomination in the United States. Later, a major controversy in the late twentieth century pitted conservative Baptists against moderates. Both sides, however, wrote histories of the controversy from their own perspectives. These histories were significant for understanding how each side interpreted the events. These pages attempt to fill a missing gap. Readers will hear the Southern Baptist story from both sides. Understand from this how Southern Baptists work, think, grow, argue, and have changed over time. They have weathered the ups and downs of history to reveal an ever-growing heritage.
