Souvenirs Dun Membre De La Commune:

Souvenirs d'un membre de la Commune, etc Fr JOURDE,1877 *The War Against Paris, 1871* Robert Tombs,1981-12-03 The Paris Commune of 1871 is one of the great romantic failures in revolutionary history Yet very little is known about its enemies and especially the army which first fraternized with the revolutionaries and then two months later crushed them with the utmost violence This book based on extensive archival research is the first serious study of the role of the army in the civil war It examines its composition and organization its weaknesses and their effect on government policy the steps taken to improve morale and discipline the state of mind of officers and men and finally the conduct of the army in battle and the causes of the final bloodshed in which about 20 000 Parisians were killed in the fighting or executed afterwards Its purpose is to cast new light on the policy of the government and the problems of using an army in a civil war and to tell for the first time the full tragedy of the suppression of the Comune one of the bloodiest and least understood social conflicts in the history of modern Europe *A Political History of Contemporary Europe, Since 1814* Charles

Catalogue de beaux livres anciens et modernes ... Albert Quantin, 1903 Defeated Flesh Bertrand Taithe, 1999 Defeated Flesh is a compelling study of the French defeat of 1870 and the socialist uprising of the Commune of Paris a crucial turning point in the making of modern France By examining the history of the body and medicine Taithe shows how the French mobilized for the war effort and how their ultimate defeat had devastating cultural and social consequences that led to the fin de siècle spirit Reinterpreting the siege of Paris the physical suffering caused by the war and rationing in an exceptionally harsh period of French history the author challenges current debates on citizenship centralism and modern warfare Taithe's original approach and the wide range of previously untouched source material he draws upon cast a new light on the social aspirations behind the world's first socialist uprising and on the fears of national decline so common in Western Europe before 1914 This intriguing and highly original study will be of interest to all readers of French history and of European and French culture as well as to specialists on the history of war and medicine **Manuel bibliographique de la littérature française moderne XVIe, XVIIe, XVIIIe, et XIXe siècles** Gustave Lanson, 1925
