Balor, 2017-11-11 The

television series SPACE 1999 was in its first series shaped by the late sixties and early seventies counterculture movements making SPACE 1999 into an example of how certain SF scholars see a natural alignment between science fiction and critical theory However due to changes in the political climate SPACE 1999 went through an ideological reversal in its second series As a result the schizophrenic nature of the series has ever since caused debate This book is written on an idealistic basis It is sold at the lowest price the publisher was willing to accept A free e book version can be downloaded at www.lulu.com

The Epic Structure of Space 1999 John K. Balor, 2018-02-18 This book contains transcripts from Online Alpha discussions where the epic and narrative structure of SPACE 1999 is being discussed by comparing episodes with themes characters and elements of plot from the Homeric Odyssey and Lewis Carroll's stories about Alice The discussion is motivated by questions raised in the scholarly literature and earlier Online Alpha debates about how to make sense of SPACE 1999 from the viewpoint of critical theory The book has been developed on an idealistic basis It is sold at the lowest price the publisher was willing to accept A free e book version can be downloaded at www.lulu.com **The Unseen Force** John

Kenneth Muir, 2004-05 Applause Books Following his highly successful *An Askew View The Films of Kevin Smith* Applause John Kenneth Muir now turns to the life and work of legendary cult film director Sam Raimi Raimi exploded on the movie scene in 1982 when he was 23 years old with the audacious independently produced horror film *The Evil Dead* Re igniting the horror genre to such a degree that Wes Craven credited Raimi on screen in *A Nightmare on Elm Street* Raimi went on to direct two *Evil Dead* sequels his own comic book superhero *Darkman* and an over the top post modern western *The Quick and the Dead* Raimi's influence on other filmmakers continues to be enormous from the shaky cam shots of the Coen brothers to the early oeuvre of *Lord of the Rings* director Peter Jackson both of whom have been termed the direct progeny of Raimi's works In 2002 Raimi's *Spider Man* had the biggest opening weekend in history earning more than 114 million at the box office *The Unseen Force* also features a sneak peek at the much anticipated *Spider Man 2* Included are 30 first person accounts and interviews from a number of eclectic sources from the cinematographers who shot Raimi's early films to the

producers screenwriters actors special effects magicians and composers who collaborated to make his films the stuff of legend earn mainstream success and still be the focus of obsessive cult followings **Best in Show** John Kenneth Muir, 2004-11 Applause Books **Best in Show** is the first in depth look at the method behind film director and actor Christopher Guest's madness and genius John Kenneth Muir focuses his attention on the acclaimed Guest directed trilogy of what some call mockumentaries *Waiting for Guffman* *Best in Show* and *A Mighty Wind* In these films Guest has escorted rapt audiences into the purportedly real worlds of a small town theatrical company dog show competition and folk music festival Muir also details the events that lead to Rob Reiner's influential and legendary *This Is Spinal Tap* which *Rolling Stone* called the best rock and roll movie of all time and in which Guest played the part of guitarist Nigel Tufnel Much of *Best in Show* exemplifies the unique process by which Guest directs films He employs a common repertory company improvises scenes often without any rehearsal and does not use any screenplay with dialogue instead following a detailed outline often co-authored with his ace actor/writer Eugene Levy Company members that have been interviewed for this book include Fred Willard Harry Shearer Bob Balaban and Michael Hitchcock Guest's influences *Saturday Night Live* *National Lampoon* as well as his more conventional comedies such as *The Big Picture* and *Almost Heroes* are studied *Best in Show* is general enough to bring new fans to the table yet detailed enough to satisfy the most in the know Guest fan and film student A complete filmography with Guest's directing acting and writing credits is included as is the appendix *You Know You're in a Christopher Guest Film* When Guest once commented I am drawn to people who have dreams that are slightly out of reach Now thanks to John Kenneth Muir the fascinating world of Christopher Guest and company is substantially more within reach **Forthcoming Books** Rose Arny, 2003 **Books in Print Supplement**, 2002 **Intersectional Humanism and Star Trek: Discovery** Alyson R. Buckman, 2024-09-16 *Intersectional Humanism and Star Trek: Discovery* focuses on the shift from the liberal humanism of the *Star Trek* franchise to the intersectional humanism of *Star Trek: Discovery* Featuring a great deal of diversity both in front of and behind the camera *Discovery* affirms the guiding principle of the franchise infinite diversity in infinite combinations Arguing that the focus of *Discovery* is a connection between a variety of beings and ways of being in the world the author analyzes the relationships among humanoids and machines animals and between each other as well as the representation of trauma in the series The author finds that while there are reversions to some of the more problematic elements of liberal humanism over the course of the series ultimately it forms connections that will progress humanity and deepen our relationship to each other and the world around us **Video Source Book** Gale Group, 1999-10-28 A guide to programs currently available on video in the areas of movies entertainment general interest education sports recreation fine arts health science business industry children juvenile how to instruction **Air University Library Index to Military Periodicals**, 1998 **Return to Alexandria** Beverley Butler, 2016-07 Beverley Butler's ethnography of the Bibliotheca Alexandrina project critiques the underlying western foundational concepts and values behind the Library in a nuanced
