Ilg, 2012-01-18 The six year old is a complex child entirely different from the five year old Though many of the changes are for the good Six is growing more mature more independent more daring and adventurous this is not necessarily an easy time for the little girl or boy Relationships with mothers are troubled most of the time Six adores mother but whenever things go

wrong it's her fault. It used to be at five that she was the center of the child's universe; now the child is the center of his own universe. Parents need the expert advice of Drs. Ames and Ilg during this difficult year to explain parent-child relationships, friendships with peers, what six-year-olds excel at, how they see the world, what it feels like to be entering the first grade. Children need patience and understanding to help make this transition easier. **Resources in Education**, 1989

Adventuring with Books National Council of Teachers of English. Committee on the Elementary School Booklist, Mary Jett-Simpson, 1989. Intended to provide teachers with a list of recently published books recommended for children, this annotated booklist cites titles of children's trade books selected for their literary and artistic quality. The annotations in the booklist include a critical statement about each book as well as a brief description of the content and, where appropriate, information about quality and composition of illustrations. Some 1,800 titles are included in this publication; they were selected from approximately 8,000 children's books published in the United States between 1985 and 1989 and are divided into the following categories: 1. books for babies and toddlers; 2. basic concept books; 3. wordless picture books; 4. language and reading; 5. poetry; 6. classics; 7. traditional literature; 8. fantasy; 9. science fiction; 10. contemporary realistic fiction; 11. historical fiction; 12. biography; 13. social studies; 14. science and mathematics; 15. fine arts; 16. crafts and hobbies; 17. sports and games; and 18. holidays. There are also sections on professional books, teaching with literature, and book awards and booklists. A directory of publishers as well as author, illustrator, subject, and title indexes are included. MS
