Love in Five Acts; A Study of the Song of Solomon Marvin McKenzie, 2015-05-27 For approximate twenty five years now the focus on most studies of the Song of Solomon has been on the relationship between husband and wife Some teachers have gone so far as to imply it is heresy and abusive to the Bible to teach any other application for it Previous to that however most Bible preachers and teachers taught that the Song of Solomon represents Christ s love for His church This book reaches back to those less modern students of the Bible and applies the Song of Solomon to Christ s relationship to believers The Song of Solomon is seen as a drama having five acts each one presenting a different phase in the growing relationship between Christ and the believer

King Solomon Philip Graham Ryken, 2011-07-07 Though the world's wisest king Solomon's heart was led astray by temptations of wealth, sex, and power, and we face the same dangers today though the temptations may be different in degree and detail. Author Philip Ryken writes, "In witnessing Solomon's moral triumphs and sinful failures, we learn how to live more wisely. By the grace of God, we may avoid a tragic downfall of our own and learn how to use money, sex, and power for the glory of God." Tracing Solomon's life from coronation to burial and from godly devotion to self-serving excess, Ryken shows readers how to avoid similar downfalls and seek God's glory amid earthly temptations. These thirteen chapters are pastoral, rich in application, and biblically faithful. This overview of Solomon's life also includes a study guide, making it a great resource for both personal and group use.

[The SOLOMON SEDUCTION](#) Mark Atteberry, 2014-04-15 Have you found yourself in circumstances you never envisioned, tangled up with people you never approved of, and doing things you never imagined? It seems impossible that the valedictorian of the entire human race would ruin his life by making dumb choices, but Solomon did. Solomon was better equipped to see through Satan's deceptions than any man who has ever lived other than Jesus. But in the end, he became just as blind to them as everyone else. Pay attention to the news, and you'll see that it's not just the numbskulls that fall into Satan's traps. It's also the best and brightest of America's fathers, husbands, and sons. Many smart guys who love God end up being ashamed and humiliated by Satan's seductions. With humor, grace, and a pastor's heart, Mark Atteberry seeks to offer practical suggestions on how to avoid a similar fate. His prayer for readers is to experience a wake-up call to move forward and determined on an upward path.

A Biblical Study Guide for Equal Pulpits Young Lee Hertig, 2022-03-24 The transformation of patriarchal church culture begins with gender equality in the pulpit. For too long, the Christian pulpit has been monopolized by men. This pattern is especially pronounced in evangelical, Asian American, and Latinx congregations where women's voices are marginalized and male dominance is reinforced in the church as well as the family. The consequences are enormous: robbing the church of the fullness of the gospel, silencing the voices of women preachers, masculinizing Christianity, losing younger generations of women leaders, modeling structural power inequality, increasing violence against women. Making academic hermeneutical work accessible for the pulpit, *A Biblical Study Guide for an Equal Pulpit* reappropriates a gendered approach to biblical texts. Among the perspectives investigated: Kay Higuera Smith's *Two Mothers, Two Promises* takes a perspective-shifting look at Sarah and Hagar; Eunhy P. Lee's *Valorous and Wise Women Who Build Up the House of God* depicts Ruth and the woman of Proverbs 31 as builders of the household; and Sophia Magallanes Tsang's *Listening for Your Voice: Let Me Hear It*. The *Prophetic Feminine Voice in Songs 8* interprets the Song of Songs as a prophetic female voice.

Organic Chemistry T. W. Graham Solomons, Craig B. Fryhle, Scott A. Snyder, 2022-01-19 *Organic Chemistry*, 13th Edition, continues Solomons, Fryhle, and Snyder's tradition of excellence in teaching and preparing students for success in both the classroom and beyond. Central to the authors is their approach in emphasizing organic chemistry's relationship between structure and reactivity. To accomplish this, the content is organized in

a way that combines the most useful features of a functional group approach with one largely based on reaction mechanisms. The authors' philosophy is to emphasize mechanisms and their common aspects as often as possible and at the same time use the unifying features of functional groups as the basis for most chapters. The structural aspects of the authors' approach show students what organic chemistry is. Mechanistic aspects of their approach show students how it works. And wherever an opportunity arises, the authors show students what it does in living systems and the physical world around us. **The Daniel**

Prayer Bible Study Guide Anne Graham Lotz, 2017-04-25 Do you long for a more powerful prayer life? Do you grow discouraged when your prayers don't seem to change anything or allow you to hear God's voice? In this video-based Bible study workshop DVD, digital video sold separately, Anne Graham Lotz presents a biblical approach to prayer that will help you learn to listen for God's voice, know Him in a personal relationship, and communicate with Him through His Word. By taking a close look at the life of Daniel, Anne unpacks the prayer he prayed in Daniel 9. Following the pattern of Daniel's original prayer as a model for how we speak to our Creator, she helps us develop a more meaningful and powerful prayer life. For an entire generation, Daniel's people had been held in captivity and separated from their homeland. But when Daniel read a prophecy in which God said He would restore His people to Jerusalem after seventy years, he claimed that promise and cried out for the Lord to bring it to pass. Daniel's example of praying God's Word back to Him is what Anne calls reversed thunder. In this six-session study, Anne explains how we can reverse the thunder until Heaven is moved and we see real change in our own lives and the lives of those we're praying for. This guide includes weekly Bible study readings, video teaching notes, group discussion questions, group activities, and space for writing your own prayers. Ideal for use in small groups and Sunday school classes, and includes a simplified Bible study track for more limited meeting time, such as a workplace lunchtime setting. Sessions include: Preparing for Prayer, Prompting in Prayer, Pleading in Prayer, Prevailing in Prayer, The Battle in Prayer. This study guide is designed for use with The Daniel Prayer Video Study, sold separately. A Facilitator's Guide and additional resources are included on the DVD only. Song of Songs: An Introduction and Study Guide J. Cheryl Exum, 2022-07-14 The Song of Songs also known as the Song of Solomon is an unusual book to find in the Bible As the Bible's only love poem the Song offers a unique picture of relations between the sexes in biblical times Unlike other biblical books it consists entirely of dialogue It looks at love from both a woman's and a man's point of view and shows the reader what love is like exclusively through what lovers say about it There are few issues in Song of Songs interpretation that are not open to debate which makes it a fascinating book to study In this Guide Cheryl Exum provides a concise survey of the principal questions encountered in Song of Songs scholarship She also takes the discussion beyond the traditional research questions to introduce readers to new and ongoing areas in Song of Songs research Bibliographies and suggestions for further reading at the end of each chapter provide additional resources for readers interested in pursuing specific topics and exploring new directions in the study of the Song of Songs
