Steps for Case Study Solution & Analysis:

1. Introduction of Accenture's Code of Business Ethics Case Solution

The Accenture's Code of Business Ethics case study is a Harvard Business Review case study, which presents a simulated practical experience to the reader allowing them to learn about real life problems in the business world. The Accenture's Code of Business Ethics case consisted of a central issue to the organization, which had to be identified, analysed and creative solutions had to be drawn to tackle the issue. This paper presents the solved Accenture's Code of Business Ethics case analysis and case solution. The method through which the analysis is done is mentioned, followed by the relevant tools used in finding the solution.

The case solution first identifies the central issue to the Accenture's Code of Business Ethics case study, and the relevant stakeholders affected by this issue. This is known as the problem identification stage. After this, the relevant tools and models are used, which help in the case study analysis and case study solution. The tools used in identifying the solution consist of the SWOT Analysis, Porter Five Forces Analysis, PESTEL Analysis, VRIO analysis, Value Chain Analysis, BCG Matrix analysis, Ansoff Matrix analysis, and the Marketing Mix analysis. The solution consists of recommended strategies to overcome this central issue. It is a good idea to also propose alternative case study solutions, because if the main solution is not found feasible, then the alternative solutions could be implemented. Lastly, a good case study solution also includes an implementation plan for the recommendation strategies. This shows how through a step-by-step procedure as to how the central issue can be resolved.

Arbogast, 2008 As scandals at Enron WorldCom and elsewhere became public American business schools came under attack for inadequate ethical formation of the country's up and coming managers A less obvious but related problem has been the lack of realistic ethical training material Now this author a 32 year senior financial executive has adapted the Enron story to address this pressing need Drawing upon his own experience within a highly disciplined corporate culture the author has extracted from the wreckage case studies that chart Enron's descent into fraud and ask students to consider how it could have been different These 17 practical case studies don't just retell the Enron story they select pivotal moments when key individuals faced decisions that could carry the firm across another threshold of ethical decomposition Students will get the opportunity to stand in the shoes of the young Ken Lay as he pondered how to handle Enron's first trading scandal They will

have the opportunity to consider how to oppose Jeff Skilling's plans to introduce Mark to Market accounting and Andy Fastow's ever more aggressive use of Special Purpose Entities. Finally they will have a chance to reconsider the tactics adopted by those who did resist. Was for example Sherron Watkins right to take her concerns to Ken Lay or should she have made her case elsewhere?
