Sivaramakrishnan, Geoffrey B. Sprinkle, 2008-11-10 Most managerial accounting texts emphasize the mechanics of
managerial accounting While important mechanics are not enough To solve business problems students need to understand
how managerial accounting can improve decision making and when and where a particular tool or technique is appropriate
Balakrishnan's Managerial Accounting 1st edition presents accounting information in the context of business decision
making It combines the traditional topics of managerial accounting with a strategic framework that shows students how to
construct decision models and measure information By linking business decisions with accounting information students will
be motivated to learn and make more informed decisions Balakrishnan will appeal to courses where there is a true focus on
decision making and accounting is placed within a business context ESSENTIALS OF FINANCIAL ACCOUNTING, SIXTH
