This manual contains warnings, operating and safety precautions for the STIHL FS 72 trimmer. Pay special attention to the safety precautions outlined on pages 4 to 11. Allow only persons who understand this manual to operate your trimmer. To receive maximum performance and satisfaction from your STIHL trimmer, it is important that you read and understand the maintenance and safety precautions before using your trimmer. Contact your STIHL dealer or the STIHL distributor for your area if you do not understand any of the instructions in this manual.

Warning!

Because a trimmer is a high-speed cutting tool some special safety precautions must be observed to reduce the risk of personal injury. Careless or improper use may cause serious or even fatal injury.

STIHL's philosophy is to continually improve all of its products. As a result, engineering changes and improvements are made from time to time.

If the operating characteristics or the appearance of your trimmer differs from those described in this manual, please contact your STIHL dealer for information and assistance.

Warning!

To reduce the risk of personal injury to the operator from blade contact never use metal blades on those FS models with loop handle.
