Still Life With Strings English Edition:

Still Life with Strings L.H. Cosway,2023-10-19 My name is Jade Lennon and I stand still for money The night I saw Shane Arthur watching me everything changed A man in a suit always catches my eye but it was the way he looked at me that was different Like he knew me or something He didn't know me especially not in my costume My sobriety rests on staying away from men but there was something about him that made me throw caution to the wind After all I was never going to see him again right Wrong Standing still isn't the only way I make my money I also bartend at a concert hall Never in my wildest dreams did I think Shane was going to show up there Not only that but he's the most recent addition to the orchestra So now on a daily basis I have to resist one of the most beautiful men I've ever met and he plays the violin For me that's one hell of a deadly cocktail He wants me to teach him how to live I'm not sure how much a twenty six year old recovering alcoholic who works in a bar and moonlights as a living statue can teach a world class concert violinist but I'm sure going to try

Still-Life as Portrait in Early Modern Italy Ornat Lev-er,2025-10-01 Still Life as Portrait in Early Modern Italy centers on the still life compositions created by Evaristo Baschenis and Bartolomeo Bettera two 17th century painters living and working in the Italian city of Bergamo This highly original study explores how these paintings form a dynamic network in which artworks musical instruments books and scientific apparatuses constitute links to a dazzling range of figures and sources of knowledge Putting into circulation a wealth of cultural information and ideas and mapping a complex web of social and intellectual relations these works paint a portrait of both their creators and their patrons while enacting a lively debate among humanist thinkers aristocrats politicians and artists The unique contribution of this groundbreaking study is that it identifies for the first time these intellectually rich concepts that arise from these fascinating still life paintings a genre considered as low Engaging with literary blockbusters and banned books theatrical artifice and music and staging a war among the arts Baschenis and Bettera capture the latest social intrigues political rivalries intellectual challenges and scientific innovations of their time In doing so they structure an unstable economy of social aesthetic and political values that questions the notion of absolute truth while probing the distinctions between life and artifice meaningless marks and meaningful signs
