Aeschylus

Stolen Fate English Edition:

The Oresteia Trilogy (Unabridged English Translation) Aeschylus, 2023-12-19 The Oresteia Trilogy Aeschylus's seminal work is a powerful exploration of justice, revenge, and the dynamics of familial loyalty. Comprising three plays: Agamemnon, The Libation Bearers, and The Eumenides, this trilogy unfolds the tragic tale of the House of Atreus, marked by cycles of bloodshed and moral confrontation. Aeschylus employs a rich lyrical style that masterfully intertwines dialogue and choral interludes, allowing for a profound engagement with themes that resonate through time. The trilogy is often viewed within the context of the transition from archaic to democratic justice in ancient Athens, reflecting the societal upheavals and philosophical inquiries of the era. Aeschylus, regarded as the Father of Tragedy, was deeply influenced by the sociopolitical landscape of 5th-century BCE Athens. His experiences as a soldier in the Persian Wars and his engagement with the evolving Athenian democracy informed his dramatic works. The Oresteia Trilogy stands as a culmination of his philosophical reflections on morality, divine retribution, and the complexities of human fate, establishing a narrative that invites scrutiny and discourse surrounding justice and retribution. This unabridged English translation of The Oresteia is essential for both scholars and general readers alike, offering a poignant invitation to witness the foundational narratives of Western tragedy. Through its tragic depth and philosophical richness, this trilogy not only captivates but also challenges readers to reflect on contemporary issues of justice and morality, making it a timeless and necessary read. **Quintus Claudius, Volume 1 (of**

2) (English Edition) Ernst Eckstein, It was in Rome itself, in the sublime solemnity of the Colosseum, among the ruins of the palaces of the Caesars and crumbling pillars of the temples of the gods, that the first dreamy outlines rose before my fancy of the figures here offered to the reader's contemplation. Each visit added strength to the mysterious impulse to conjure up from their tombs these shadows of a mighty past, and afterwards at home, where the throng of impressions sorted and grouped themselves at leisure, my impulse ripened to fulfilment. I will not pause here to dwell on the fact that the period of Imperial rule in Rome bears in its whole aspect a stronger resemblance to the XIXth century than perhaps any other epoch before the Reformation; for without reference to this internal affinity, we should be justified in using it for the purpose of Romance simply by the fact that hardly another period has ever been equally full of the stirring conflict of purely human interest and of dramatic contrasts in thought, feeling, and purpose. I must be permitted to add a word as to the notes I purposely avoided, disturbing the reader of the story by references in the text, and indeed the narrative is perfectly intelligible without any explanation. The notes in short are not intended as explanatory but merely to instruct the reader and complete the picture; they also supply the sources and give the evidence on which I have drawn. From this point of view, they may have some interest for the general public unfamiliar with the authorities. **Virgil with an English Translation** H. Rushton

Dead Souls (English Edition) Nikolai Gogol, 2018-12-21 This eBook has been formatted to the highest digital standards and adjusted for readability on all devices Chichikov a middle aged gentleman of middling social class and means arrives in a small town and turns on the charm to woo key local officials and landowners He reveals little about his past or his purpose as he sets about carrying out his bizarre and mysterious plan to acquire dead souls The government would tax the landowners based on how many serfs or souls the landowner owned determined by the census Censuses in this period were infrequent so landowners would often be paying taxes on serfs that were no longer living thus the dead souls It is these dead souls existing

on paper only that Chichikov seeks to purchase from the landlords in the villages he visits Setting off for the surrounding estates Chichikov at first assumes that the ignorant provincials will be more than eager to give their dead souls up in exchange for a token payment The task of collecting the rights to dead people proves difficult however due to the persistent greed suspicion and general distrust of the landowners
