thought of fooling around with him excited me more than anything else had in years You're a gorgeous little thing he said his breath husky And it's a fucking crime A fucking sin That something as beautiful and sweet as you is locked up here Don't you agree Frankly I did I said a silent prayer as I took my hand away and let him unzip his pants Forgive me Lord for I am about to sin

Born to Ride Tara Shade, I want you I whispered But what do you want me to do Blade asked still grinning Bastard He wanted to make me say it I was going to die of embarrassment before this was over Chastity has always lived a boring life in a middle of nowhere town just off the highway That is until Michael O Connor alias Blade hitman for the Infernal Grizzlies MC roars into town and takes out a target leaving Chastity the only witness Now she's caught in a spider web of lust and deceit between Blade the brutal biker with a tortured past and Officer McGinn a handsome and ambitious state trooper who'll stop at nothing to see Blade behind bars Hold on tight and get ready for the erotic ride of your life because when you ride with the IGs the nights are even more dangerous than the days Excerpt Blade nodded to the parking lot outside There was another biker leaning against a bike and reading a porno magazine which I recognized as one we carried as one I peeked at occasionally when no one was around and when I was bored It was only then that I understood what was about to happen That was a marked man Blade was going to kill that man Wait at least two minutes before you call the cops all right darling he said his voice husky I nodded dumbly He winked at me and in a quick swift motion sliced through two of the buttons on my blouse letting my breasts tumble out revealing my flesh to him I blushed and tried as best I could to cover my cleavage That's a good look for you he growled You should thank me You'll sell more crap if you come to work dressed like that And with that he walked out of my store taking the cigarettes and the beer and leaving the snacks I watched as he approached the other biker This man was blonde heavily tattooed wearing a denim vest He was skinny and almost looked like he might be sickly He had a wispy blonde goatee and moustache that sickened me for some reason though I couldn't explain why Suddenly I knew that this man had to die I couldn't explain it at the time but I knew that Blade was right in killing this man that there would be justice here somewhere I didn't understand it but I wanted this man to die and I wanted Blade to do it
