Stonehenge Sacred Symbolism Neil L. Thomas, 2007 *Stonehenge Sacred Symbolism* Neil L. Thomas, 2010

Knowledge and Power in Prehistoric Societies Lynne Kelly, 2015-05-19 In this book Lynne Kelly explores the role of formal knowledge systems in small scale oral cultures in both historic and archaeological contexts In the first part she examines knowledge systems within historically recorded oral cultures showing how the link between power and the control of knowledge is established Analyzing the material mnemonic devices used by documented oral cultures she demonstrates how early societies maintained a vast corpus of pragmatic information concerning animal behavior plant properties navigation astronomy genealogies laws and trade agreements among other matters In the second part Kelly turns to the archaeological record of three sites Chaco Canyon Poverty Point and Stonehenge offering new insights into the purpose of the monuments and associated decorated objects This book demonstrates how an understanding of rational intellect pragmatic knowledge and mnemonic technologies in prehistoric societies offers a new tool for analysis of monumental structures built by non literate cultures **Irish Symbols of 3500 BC** Neil L. Thomas, 1988 The riddle of the inscriptions at Newgrange Knowth and other equally ancient Irish sites in the Boyne valley has been partly deciphered at last
