Aberdeen-Angus Journal ,1926 *Switched* Cassie Mae,2013-12-02 Cassie Mae s delightful novel answers the eternal question What do you do when you re head over heels for your best friend s guy Ever since high school Kayla has been crazy for gorgeous football player Talon But before she could muster the courage to tell him he became a hot item with her beautiful BFF Reagan The only person who knows Kayla s secret is Wesley Talon s best bud and he s got it bad for Reagan Now they re all in college together hanging out 24 7 For Kayla seeing the two lovebirds together is absolutely unbearable So

Kayla and Wesley hatch a plot to drive them apart before Talon has a chance to give Reagan the Christmas gift she's been waiting for. Soon enough the once happy couple is fighting. Reagan suddenly can't get enough of Wesley's goofy sense of humor and Talon seems to be paying more attention to Kayla than a guy who's only a friend ever should. But just when everything seems to be falling into place Kayla and Wesley accidentally spend a night together and discover a hitch in their plan they never considered that switching partners may not lead to a perfect ending after all. Praise for Switched Switched is a brilliant read that keeps you laughing and sighing and frustrated and loving it. Rachel Schieffelbein author of Run for the Roses Switched was a mixture of heartfelt honesty and laugh out loud moments. Wesley and Kayla's journey is one you can't miss and will want to be on cheering from the sidelines as they mess up and make up. I couldn't get enough of these two. Theresa Paolo author of Never Again Cassie Mae's books have become my latest guilty pleasure. Pleasure because who doesn't love to read a romantic comedy. And I say guilty because when I lay my hands on one I tend to read them in one sitting and let all my other responsibilities go to the wayside. What dishes Pauline Creeden author of Sanctuary Five stars but as usual deserving of far more. Le Book Squirrel I absolutely loved Switched I found it cute funny goofy and downright sigh inducing. The Shadow Realm I found myself smiling from ear to ear and harboring a major craving for gummy bears. I love the simple way she spells out a love story. The innocent gestures and internal dialogue cause me to sigh or laugh with the turn of each page. Madison Says Sweet romantic funny and very entertaining. Switched was a fantastic New Adult romance. Imagine a World This is a cute fun romance with lots of laughter and an adorable love story. Switched could be a chick flick and a good one at that. If you are looking for a short girly book to pass the time then you've certainly come to the right place. Dark Faerie Tales Switched is a fun read and a welcome addition to the New Adult romance genre. I liked Cassie Mae's writing and plot it was just like reading a script for a 90s teen film and there's nothing wrong with that. Wondrous Reads *Don't Close Your Eyes* Lisa McMann, 2013-12-03 Stay up all night with this New York Times bestselling romantic suspense story from the queen of supernatural thrillers. Kirkus Reviews Janie Hannagan lives on the fringe cursed with an ability she doesn't want and can't control. She gets sucked into other people's dreams. Things go from bad to worse when Janie is sucked into a chilling nightmare and for the first time Janie is more than a witness to someone else's twisted psyche. She is a participant. Janie discovers that local burnout Cabel is the person having the nightmares and that Cabel is hiding a few secrets of his own. As these two outsiders come together to learn more about how to harness Janie's ability they also find themselves growing ever closer. Freedom of F---G Speech Baby Sherlyn Gajewski, 2013-05-20 Freedom of F g Speech Baby is the perfect title for this book for it is what we all want to be. It's a no holds barred book with words unhidden and unhindered. I am so glad that I live in a country that allows me to have this freedom of speech and that has allowed me to write this book and I am one who is not afraid to use this opportunity to its fullest extent. This is an author who will never shy away from using strong vocabulary. Some of my thoughts and vocabulary that are used in this book may shock you and make you shake your head in

disbelief This book is not for the timid and shy readers It is graphic and modern because that is what we have become in 2013 very descriptive and contemporary So enjoy what this wild natured mind has to offer the writing world Enjoy the trip of a mind that is not afraid to speak and put her words on paper for everyone to read This book portrays a woman of confidence that is shown in her writings and she has written some self help and healing poems that will turn you into the self assured person that you should be That is why I chose the title Freedom Of F ing Speech baby because I believe that everyone should have that opportunity to write and speak freely because it shows a great sense of confidence To me there is nothing better for a writer than writing whatever you feel at the time and if it is uncensored it makes its all the better and having the chance to make a book of these feelings is one of the greatest achievements a person can offer to the world I thank you for this opportunity
