Storm Clouds and Rainbows Julia De Bres,2022 **Rainbows and Rodents: Reinforcements** Cindy Smale,2018-03-29 The United States of America has turned into utter chaos after a massive earthquake splits the country in two separate land masses Life as we know it disappears in an instant and people must learn to live on rations and produce their own food The main character helps her neighborhood survive the catastrophe of biblical proportion and uses her faith to fight against evil and danger that

moves in next door Seven colorful angels who were introduced in the first book in the series Rainbows and Rodents Revelations are back to protect the woman along with reinforcements Legions of angels assist in battling the evil forces that dispense relentless attacks on the woman and her neighborhood **Where The River Runs Deep** Joy J. Jackson,1999-03-01

Joy J Jackson s Where the River Runs Deep tells two stories both significant and both fascinating It is a biography of the author s father Oliver Jackson who spent virtually his entire life on or near the Mississippi River And it is a history of the river itself and the many changes that have transformed it in the twentieth century Born in an oysterman s camp in south Louisiana only a few miles from the Gulf of Mexico and raised in an orphanage in New Orleans Oliver Jackson 1896 1985 grew up to become a pilot boat crew member a merchant seaman a tugboat man and ultimately a Mississippi River pilot the profession to which he had always aspired Drawing extensively on oral history including a series of audiotapes her father recorded before his death Jackson presents a detailed social history not only of her father and his forebears but of a way of life now past She vividly portrays village life in once thriving but now vanished river communities such as Port Eads and Burrwood in the delta below New Orleans and in such working class areas of the city as the Irish Channel And she provides detailed descriptions of the early days of riverboat piloting between New Orleans and Baton Rouge and of tugboat work in the New Orleans harbor Throughout she evokes the special passion and respect that pilots have always had for their work and the river Woven into Jackson s narrative of her father s life and career is a history of the profound changes in life and commerce on the Mississippi River since the turn of the century During Oliver Jackson s lifetime cotton gave way to petroleum as the major product transported on the lower Mississippi while steamboats faded away and were replaced by towboats with their long lines of barges After mid century many of the plantations and rural homesteads that had lined the banks of the river since the eighteenth and nineteenth centuries were crowded by the increasing presence of petrochemical plants Jackson also writes about such calamitous events as the hurricane of 1915 and the great flood of 1927 and she describes the menace of German submarines at the mouth of the Mississippi during America s early months in World War II Where the River Runs Deep is a story of river life unlike any other It will appeal to students of regional history and family history as well as to anyone fascinated by the lore of the Mississippi **Planetary Purpose Come Grow With Me...**

Parsippany Bea,2025-10-20 Planetary Purpose is a series of small childrens books reflecting upon childhood growth and development As an educator I have witnessed many children with worry and fear as Markus the box turtle exhibits in this series These playful characters are all personified by those I have come to teach and meet throughout decades of experiences Elephant Blue a bumble bee the butterfly or a banana tree each have a story to tell Each character has an emotional conflict and a resolution for continuing their individual growth To understand our anxieties and feelings are true To allow patience and forgiveness upon ourselves is evident We have a planetary purpose as writers and creators to educate Allowing families to feel we are all safe trusted and are all exploring at our own pace and rates Through these series the books will grow as our

children We will continue to add stages of development throughout childhood into adolescence The storytelling will grow with your children As a writer there will always be another story to tell another mountain to climb or ocean to change within the tides Enjoy God bless and thank you for reading to children Love Parsippany Bea Eric Owen Wilson,2011-08 **The Teachable Heart** David E.
