

FARM BOSS.

Sort of like saying, it's one of the hardest workers for the farm you'll ever find. Like the 041 FB. Known all over for holding up, starting up, and lasting longer.

Or the 031. Probably, the most dependable saw in the world. Lightweight and heavy power and a saw that will do a job under any kind of cutting condition.

And the 028. Stihl's newest lightweight all-purpose farm saw. The very same quality in

engineering and manufacturing in a highly compact saw.

So, if you want a saw that will work along with you. All day or all year. Get a Stihl. You could say it's about the best piece of farm equipment to come along since the plow.
