Still SaDonna Rogers ,2014-10-22 DeLaine is in 7th grade at Samson High She is 12 and on the verge of turning 13 a milestone Learning about the changes she s feeling in her body and mind DeLaine realizes that physical feelings don t always mean true love as she thought when she was younger Nevertheless she develops feelings for Kevin Strong her psychopathic stepbrother s best friend and King of 8th grade If he wasn t untouchable for one reason Geoffrey s jealousy then he is untouchable for his difference in age and status Kevin doesn t share her thoughts about their relationship being taboo DeLaine is obliged to push Kevin away to minimize the abuse she will endure if her stepbrother ever knows her true feelings for his best friend She has a budding friendship with one of the popular girls Bailey Rains and is surprised when Bailey shows nothing but warmth and kindness to a complete zero like her DeLaine s self esteem gradually begins to develop as she spends more time with Bailey Just when her life seems to be on an even keel her stepmother comes home from the mental hospital DeLaine s new defiance allows her a different way to deal with the abuse she constantly receives from her step monsters as she navigates adolescence The first book in the series is Dust in the Wind and occurs just after the tornado of Terrible Tuesday April 10th 1979 in Wichita Falls TX The journey of DeLaine Reynolds continues as she navigates the first half of 7th grade at Samson High

Still SaDonna Rogers,2014-10-20 DeLaine is in 7th grade at Samson High She is 12 and on the verge of turning 13 a milestone Learning about the changes she s feeling in her body and mind DeLaine realizes that physical feelings don t always mean true love as she thought when she was younger Nevertheless she develops feelings for Kevin Strong her psychopathic stepbrother s best friend and King of 8th grade If he wasn t untouchable for one reason Geoffrey s jealousy then he is untouchable for his difference in age and status Kevin doesn t share her thoughts about their relationship being taboo DeLaine is obliged to push Kevin away to minimize the abuse she will endure if her stepbrother ever knows her true feelings for his best friend She has a budding friendship with one of the popular girls Bailey Rains and is surprised when Bailey shows nothing but warmth and kindness to a complete zero like her DeLaine s self esteem gradually begins to develop as she spends more time with Bailey Just when her life seems to be on an even keel her stepmother comes home from the mental hospital DeLaine s new defiance allows her a different way to deal with the abuse she constantly receives from her step monsters as she navigates adolescence The first book in the series is Dust in the Wind and occurs just after the tornado of Terrible Tuesday April 10th 1979 in Wichita Falls TX The journey of DeLaine Reynolds continues as she navigates the first half of 7th grade at Samson High

Please Don't Go SaDonna Rogers, DeLaine is embarking on an intense and surprising journey through the junior high jungle of 8th grade Now an upperclassman of the newly minted and rebuilt Milam Junior High she along with her best friend Bailey Rains encounter many new wonderful and sometimes heartbreaking lessons in life DeLaine s new life seems to begin almost the minute she walks into the doors of her school Unbelievably she is no longer invisible or it seems a peasant in the school s social hierarchy DeLaine is finding that being

part of the popular crowd is attainable to someone like her She can't believe her luck and how different her days as an 8th grader compare to her miserable days as a 6th grader With her unusual year being a 7th grader at Samson High School over she is free to explore in a completely different group of friends than what she has ever known Her new group of friends includes Jax Garrett as an upstanding member in their midst DeLaine's crush from 6th grade seems to confound her as much as Kevin Strong Freshman Kevin is no longer in the same school with DeLaine and she feels his absence even with the attention she's receiving from cute cowboy Jax Her home life continues to be a roller coaster ride of insanity with occasional peeks of hope sprinkled throughout Her step mother Clarice seems to be happy with the caliber of friends DeLaine now has which makes life a bit more bearable She had hopes that since she would no longer be in the high school her step brother Geoffrey would calm down as much as his mother has towards DeLaine but he continues to run hot and cold no matter what she does in regards to his best friend Kevin Strong DeLaine's life takes an unexpected twist half way through her school year and she learns what true heartbreak is after receiving devastating news How will she survive the huge changes coming into her life

Too Much Heaven SaDonna Rogers, 2015-12-03 DeLaine finds herself at home after the Christmas break with a whole new outlook It's the first time she can remember coming home without everything seeming so bleak Her stepbrother Geoffrey and stepmother Clarice are nice to her which is a surprise but DeLaine doesn't trust them The main reason she is happy to come home is to see Kevin Strong and love him from afar If Geoffrey weren't so crazy jealous of her and Kevin being together DeLaine thinks her world might be as close to perfect as possible Perfection would be a real relationship with the most beautiful boy in the world He provides strength and stability but mostly a feeling of love and protectiveness that DeLaine craves The problem is that he is the King of Milam Junior High and she's only a lowly peasant albeit not on the lowest rung in the social hierarchy She is happy this January because she has a new best friend who shouldn't really care about her but because of the tornado DeLaine has been tossed into the stratosphere of the beautiful Bailey Rains She and Bailey find themselves getting closer as they walk home from Samson High School every day and Bailey takes a genuine interest in helping DeLaine find her voice and realize her beauty Find out what new adventures wait for DeLaine in the last half of 7th grade See what new things she finds out about friendship love sex loss and grace

Dust In The Wind SaDonna Rogers, 2014-04-16 A horrific killer tornado rips through Wichita Falls in 1979 launching 12 year old DeLaine Reynolds into adolescence Living in a tiny rattle trap trailer with her abusive step mother and step brother and struggling with feelings of abandonment DeLaine starts 7th grade at the local high school There she faces social hierarchy bullying and the hint of first love Can DeLaine face the changes and challenges of normal adolescence as well as her dysfunctional family This story is inspired by true events
