Bread Machine Cookbook Emily Smith, 2021-04-27 There is no doubt that the homemade bread is a bit more difficult to make than the machine-made bread. While the process of making bread is not difficult, it requires a bit of work with the different stages. There are many different types of bread which are not convenient to make in a bread machine. By simply adding all ingredients into the machine, it does the rest of the work for you, making the bread making process quicker and easier. Plus, you don't have to worry about what is going into your bread and on your hand. The variety of breads from white bread to rye, whole wheat, and many others are all factors you can choose from.
