Stop Breakin Down Stories

M. McGeachy

Stop Breakin Down Stories:

Stop Breakin Down John McManus, 2025-10-16 Winner of the Whiting Writers Award In a voice somewhere between Cormac McCarthy and Kurt Cobain John McManus explores young people living in extreme situations Some are in the Tennessee Smoky Mountains some in the Pacific Northwest a few are in the Western deserts of Utah and Nevada one is in England and many are scattered throughout the Southern US All are desperate for something beyond the ordinary lives that are given to them and every one is absolutely unforgettable

Stop Breakin Down John McManus, 2000-06-03 A debut anthology of short fiction profiles a diverse array of young people from different parts of the country all pushed to the very edge of endurance and survival by the circumstances of their lives

Short Story Index ,2001

Born on a Train John McManus, 2025-09-23 Two years ago at twenty two John McManus captivated writers and critics with his first story collection and became the youngest recipient of the Whiting Writers Award Now McManus returns with a collection of stories equally piercing and visionary stories about the young and old compromised by circumstance and curiosity and undergoing startling transformations In Eastbound a car driven by two elderly sisters breaks down on an elevated highway Beneath them lies the lost country of the South overrun with concrete and shopping centers but still possessing the spectres and secrets of the past In Brood a plucky young heroine moves with her mother into the home of the mother s online boyfriend She will use the Audubon Guide to Birds and her own wits to survive the advances of the boyfriend s teenaged son In Cowry two backpackers in New Zealand race to witness the first sunrise of the twenty first century

Fox Tooth Heart John McManus, 2015-11-16 Bold and ingenious stories about the dark heart of America by the acclaimed Whiting Award winning author The New York Times Book Review Feverish psychotropic bold mesmerizing painful Fox Tooth Heart is full of stories about people living on the margins of society characters born into dark circumstances or driven there by their own obsessions and addictions Huffington Post murderers loners addicts neurotics and outcasts stumbling side by side with the down and out heroes of George Saunders or John Updike captured just before their fall Vice com In this achingly visceral masterpiece McManus ventures from trailers hidden in deep Southern woods to an Arkansas ranch converted into an elephant refuge to a Georgia tent community of sex offenders to a Kentucky band of teenage Satanists His lost soul men women and children reel precariously between common anxiety and drug enhanced paranoia sober reality and fearsome hallucination The Atlanta Journal Constitution Powered by radiant prose Vanity Fair these nine eccentric wildly inventive Publishers Weekly stories of twisted humor and pathos re establish McManus as one of the most bracing voices of our time

Mystery Train Greil Marcus, 2015-04-28 The perfect gift for music fans and anyone who loves artists like Elvis Presley Randy Newman Sly Stone Robert Johnson and Harmonica Frank In 1975 Greil Marcus s Mystery Train changed the way readers thought about rock n roll and continues to be sought out today by music fans and anyone interested in pop culture Looking at recordings by six key artists Robert Johnson Harmonica Frank Randy Newman the Band Sly Stone and Elvis Presley Marcus offers a complex and

unprecedented analysis of the relationship between rock n roll and American culture In this latest edition Marcus provides an extensively updated and rewritten Note and Discographies section exploring the recordings evolution and continuing impact

Off the Rocks, Volume 14 NewTown Writers,2010-06-04 NewTown Writers Press is proud to celebrate 30 years of publishing performing and promoting the work of GLBT writers The stories in Volume 14 of our anthology series speak of recovery and discovery coming out and coming of age They are stories about relationships platonic and romantic familiar and familial The poetry and prose featured here are not about the GLBT experience They are about the experiences of individuals who are GLBT Glorious Liberated Bodacious and Tenacious Fleetwood Mac All the Songs Olivier Roubin,Romuald

Ollivier,2025-04-01 Fleetwood Mac All the Songs dives deep into the unique and often fraught recording history of the mega bestselling and hugely influential rock band Packed with captivating photographs and fascinating behind the scenes details it is a must have for any music history fan Fleetwood Mac is the one of the most enduring endearing and drama filled bands in rock history whose triumphs struggles and music continue to resonate with generations of listeners This thorough dissection of every album and every song ever released by the beloved rock group follows the band s many iterations from their self titled debut in 1968 when they were known as Peter Green s Fleetwood Mac to the classic Rumours era featuring the core line up of Lindsey Buckingham Mick Fleetwood Christine McVie John McVie and Stevie Nicks all the way up to the passing of Christine McVie in November 2022 The writing and recording process of each and every track is dissected discussed and analyzed by authors Olivier Roubin and Romuald Ollivier through the band s many breakups and shakeups Fleetwood Mac All the Songs draws upon years of research to recount the circumstances that led to the composition of every song the band ever wrote as well as the details behind their in studio recording process Also featuring hundreds of photographs including rare black and white publicity stills images of instruments used by the band and engaging shots of the musicians in studio this is a must have book for any true fan of classic rock Robert Johnson Barry Lee Pearson,Bill McCulloch,2010-10-01 Even with

just forty one recordings to his credit Robert Johnson 1911-38 is a towering figure in the history of the blues His vast influence on twentieth century American music combined with his mysterious death at the age of twenty seven still encourage the speculation and myth that have long obscured the facts about his life The most famous legend depicts a young Johnson meeting the Devil at a dusty Mississippi crossroads at midnight and selling his soul in exchange for prodigious guitar skills Barry Lee Pearson and Bill McCulloch examine the full range of writings about Johnson and weigh the conflicting accounts of Johnson s life story against interviews with blues musicians and others who knew the man Their extensive research uncovers a life every bit as compelling as the fabrications and exaggerations that have sprung up around it In examining the bluesman s life and music and the ways in which both have been reinvented and interpreted by other artists critics and fans Robert Johnson Lost and Found charts the cultural forces that have mediated the expression of African American artistic traditions The Cambridge Companion to Blues and Gospel Music Allan Moore,2003-03-13 From Robert

Johnson to Aretha Franklin Mahalia Jackson to John Lee Hooker blues and gospel artists figure heavily in the mythology of twentieth century culture The styles in which they sang have proved hugely influential to generations of popular singers from the wholesale adoptions of singers like Robert Cray or James Brown to the subtler vocal appropriations of Mariah Carey Their own music and how it operates is not however always seen as valid in its own right This book provides an overview of both these genres which worked together to provide an expression of twentieth century black US experience Their histories are unfolded and questioned representative songs and lyrical imagery are analysed perspectives are offered from the standpoint of the voice the guitar the piano and also that of the working musician The book concludes with a discussion of the impact the genres have had on mainstream musical culture **Bob Dylan—All the Songs** Philippe

Margotin, Jean-Michel Guesdon, 2017-02-07 The most comprehensive account of Bob Dylan s Nobel Prize winning work yet published with the full story of every recording session every album and every single released during his nearly 60 year career Bob Dylan All the Songs focuses on Dylan s creative process and his organic unencumbered style of recording It is the only book to tell the stories many unfamiliar even to his most fervent fans behind the more than 500 songs he has released over the span of his career Organized chronologically by album Margotin and Guesdon detail the origins of his melodies and lyrics his process in the recording studio the instruments he used and the contribution of a myriad of musicians and producers to his canon *Yoknapatawpha Blues* Tim A. Ryan, 2015-04-13 TIM A RYAN is associate professor of English at

Northern Illinois University and the author of *Calls and Responses The American Novel of Slavery Since Gone with the Wind*

Bent out of Shape from Society's Pliers John Wells, 2003-10-21 This volume of articles covers a wide range of artists in the world of popular music including Bob Dylan the Doors Bruce Springsteen Robert Johnson Tracy Chapman Lou Reed and The Rolling Stones Wells looks at the lyrics themes and issues from a sociological point of view examining the content of their songs against the backdrop of modern society Many of these artists write and sing about a sense of loss alienation and frustration with the American socio economic system In addition the volume shows how these artists use creative language to communicate a sense of the grotesque absurd disharmony and dread in the lives of the characters in their songs Mystery

Train, 50th Anniversary Edition Greil Marcus, 2025-09-16 A 50th anniversary edition of the music classic with fully updated discographies and new introductions from Greil Marcus and Dwight Garner In this special 50th anniversary edition of the beloved Plume backlist staple first released in 1975 Mystery Train s complex analysis of the relationship between rock n roll music and America is given new life with updated discographies and new introductions by Greil Marcus and Dwight Garner Rather than providing a general overview of influential bands and artists Marcus s definitive book focuses on just six virtually unknown early rock n roller Harmonica Frank the country blues singer Robert Johnson and some of the better known musicians who followed The Band Sly Stone Randy Newman and Elvis Presley This is the original book to take these rock legends and place them in the American culture of their time And now in 2025 Mystery Train continues its groundbreaking

work for a new generation of readers and music lovers **American Popular Music: The age of rock** Timothy E. Scheurer, 1989 Beginning with the emergence of commercial American music in the nineteenth century Volume 1 includes essays on the major performers composers media and movements that shaped our musical culture before rock and roll Articles explore the theoretical dimensions of popular music studies the music of the nineteenth century and the role of black Americans in the evolution of popular music Also included the music of Tin Pan Alley ragtime swing the blues the influences of W S Gilbert and Rodgers and Hammerstein and changes in lyric writing styles from the nineteenth century to the rock era

Lonesome Words M. McGeachy, 2016-09-23 The tenth century Old English lament and twentieth century blues song each speak the language of a distinct poetic tradition yet the voices are remarkably similar in their emotive expression of loneliness This innovative study juxtaposes the texts of each corpus to explore the features that characterize their vocal poetics *Shadows Bright as Glass* Amy Ellis Nutt, 2011-04-05 On a sunny fall afternoon in 1988 Jon Sarkin was playing golf when without a whisper of warning his life changed forever As he bent down to pick up his golf ball something strange and massive happened inside his head part of his brain seemed to unhinge to split apart and float away For an utterly inexplicable reason a tiny blood vessel thin as a thread deep inside the folds of his gray matter had suddenly shifted ever so slightly rubbing up against his acoustic nerve Any noise now caused him excruciating pain After months of seeking treatment to no avail in desperation Sarkin resorted to radical deep brain surgery which seemed to go well until during recovery his brain began to bleed and he suffered a major stroke When he awoke he was a different man Before the stroke he was a calm disciplined chiropractor a happily married husband and father of a newborn son Now he was transformed into a volatile and wildly exuberant obsessive seized by a manic desire to create art devoting virtually all his waking hours to furiously drawing painting and writing poems and letters to himself strangely detached from his wife and child and unable to return to his normal working life His sense of self had been shattered his intellect intact but his way of being drastically altered His art became a relentless quest for the right words and pictures to unlock the secrets of how to live this strange new life And what was even stranger was that he remembered his former self In a beautifully crafted narrative award winning journalist and Pulitzer Prize finalist Amy Ellis Nutt interweaves Sarkin s remarkable story with a fascinating tour of the history of and latest findings in neuroscience and evolution that illuminate how the brain produces from its web of billions of neurons and chaos of liquid electrical pulses the richness of human experience that makes us who we are Nutt brings vividly to life pivotal moments of discovery in neuroscience from the shocking rebirth of a young girl hanged in 1650 to the first autopsy of an autistic savant s brain and the extraordinary true stories of people whose personalities and cognitive abilities were dramatically altered by brain trauma often in shocking ways Probing recent revelations about the workings of creativity in the brain and the role of art in the evolution of human intelligence she reveals how Jon Sarkin s obsessive need to create mirrors the earliest function of art in the brain Introducing major findings about how our sense of self transcends the bounds

of our own bodies she explores how it is that the brain generates an individual self and how if damage to our brains can so alter who we are we can nonetheless be said to have a soul For Jon Sarkin with his personality and sense of self permanently altered making art became his bridge back to life a means of reassembling from the shards of his former self a new man who could rejoin his family and fashion a viable life He is now an acclaimed artist who exhibits at some of the country s most prestigious venues as well as a devoted husband to his wife Kim and father to their three children At once wrenching and inspiring this is a story of the remarkable human capacity to overcome the most daunting obstacles and of the extraordinary workings of the human mind The British Blues Network Andrew Kellett,2017-09-19 An exciting new examination of how African American blues music was emulated and used by white British musicians in the late 1950s and early 1960s Elle ,2000 *Confusion Is Next* Alec Foege,1994-10-15 Chronicles the growth of the band Sonic Youth from its early days in the post punk East Village to the recording of its latest album

Reviewing **Stop Breakin Down Stories**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence.
