Benson,2013-07-12 With an Overview by Paul Smith and a Checklist to Hemingway Criticism 1975 1990 New Critical

Approaches to the Short Stories of Ernest Hemingway is an all new sequel to Benson's highly acclaimed 1975 book which provided the first comprehensive anthology of criticism of Ernest Hemingway's masterful short stories. Since that time the availability of Hemingway's papers coupled with new critical and theoretical approaches has enlivened and enlarged the field of American literary studies. This companion volume reflects current scholarship and draws together essays that were either published during the past decade or written for this collection. The contributors interpret a variety of individual stories from a number of different critical points of view from a Lacanian reading of Hemingway's *After the Storm* to a semiotic analysis of *A Very Short Story* to an historical biographical analysis of *Old Man at the Bridge*. In identifying the short story as one of Hemingway's principal thematic and technical tools, this volume reaffirms a focus on the short story as Hemingway's best work. An overview essay covers Hemingway criticism published since the last volume and the bibliographical checklist to Hemingway short fiction criticism which covers 1975 to mid 1989 has doubled in size. Jump into the Story Ray R. Friesen, 2019-02-27. Preaching is a challenging, privileged and awesome responsibility. As important as mining the text for its meaning and message and making connections to our twenty-first century world is the responsibility to engage the imaginations of the people in the pews or chairs. In this book, Ray Friesen, life-long preacher and retired pastor, has provided twenty examples of how to be creative and engage those imaginations. Most were written under the pressures of bi-vocational ministry, preaching forty times a year as half-time pastor and operating a mediation practice. They are offered to you not as sermons for you to preach but as examples of what is possible even with all the other responsibilities you may have. Each sermon and type of creativity will create an opportunity to set your imagination and creativity free to engage the imaginations, hearts, and dreams of your parishioners. Sacred Stories Mark D. Steinberg, Heather J. Coleman, 2007-01-24. *Sacred Stories* brings together the work of leading scholars writing on the history of religion and religiosity in late imperial Russia during the critical decades preceding the 1917 revolutions. Embodying new research and new methodologies, this book reshapes our understanding of the place of religion in modern Russian history. Topics examined include miraculous icons and healing pilgrim narratives, confessions, women and Orthodox domesticity, marriage and divorce, conversion and tolerance, Jewish folk beliefs, mysticism in Russian art, and philosophical aspects of Orthodox religious thought. *Sacred Stories* demonstrates that belief, spirituality, and the sacred were powerful and complex cultural expressions central to Russian political, social, economic, and cultural life. Contributors are Nicholas B. Breyfogle, Heather J. Coleman, Gregory L. Freeze, Nadieszda Kizenko, Alexei A. Kurbanovsky, Roy R. Robson, Bernice Glatzer Rosenthal.

The Father Pat Stories Patrick Gossage, 1997-04 Father Pat Cheyne, an unkempt middle-aged priest on a lone canoe ride, reflects on how these solitary meditations in his beloved canoe have marked his life. His thoughts reach back to his boyhood rejection of the boisterous ways of his father just home from the war to the memorable evening when he first prayed eyes open, floating in a silent magic space with stars drenching the sky above and mirror lake below him. Even now, the canoe remains his own vehicle for understanding solitude. The Father Pat Stories chronicle the Anglican priest and former member of Parliament's pattern of engagement and disengagement as he very actively applies tolerance and forgiveness to his parishioners' difficulties in a world where religion often stands for intolerance and exclusion. The fast-paced adventures engage a tight trio of friends: Father Pat, his public relations pal Terry, and their mutual big city reporter friend Deirdre. The odd trio get all too intimately involved with each other and in problems personal and institutional in Ridgewood, Father Pat's suburban parish. The yarns, almost parables, present a good man through a lifetime of friendships and loves.
