Stories Of Great Americans For Little Americans With Biographical Introduction:

Stories of Great Americans for Little Americans Edward Eggleston, 2019-11-20 In *Stories of Great Americans for Little Americans* Edward Eggleston presents a captivating collection of biographical sketches aimed at young readers. This work elegantly blends historical fact with engaging narrative, employing a simple yet evocative literary style that resonates with children while imparting essential lessons on American values. Set against the backdrop of 19th century America, the stories showcase notable figures intertwining their achievements with morals and virtues, thereby fostering a sense of patriotism and identity among the youth. Eggleston's approach reflects the era's emphasis on moral instruction through literature, embodying themes of heroism, perseverance, and civic responsibility. Edward Eggleston, an influential figure in American literature and a staunch advocate for educational reform, believed in the power of storytelling to shape young minds. His dedication to creating accessible literature for children stems from his own experiences in a rapidly changing American society, and his commitment to instilling a love for reading. Eggleston's background as a historian and novelist lends authority to his retelling of these historical narratives, making them both engaging and informative. This book is highly recommended for parents, educators, and young readers alike. It serves as an invaluable resource for instilling a sense of American pride and understanding of national history. Eggleston's beautifully crafted tales captivate the imaginations of children while educating them about the remarkable individuals who shaped their country.

Stories of Great Americans for Little Americans

Edward Eggleston, 1895 A primer relating many interesting episodes in United States history. Ease of reading is enhanced with a controlled vocabulary and short sentences; many words are divided into syllables to help readers sound out unfamiliar words.

Stories of Great Americans for Little Americans Edward Eggleston, 2023-11 *Stories of Great Americans for Little Americans* authored by Edward Eggleston is an entertaining book that introduces young readers to the lives and accomplishments of notable figures who shaped American history. Eggleston puts these renowned people's stories to life with a fascinating narrative and educational meaning. The book's goal is to inspire and educate children via biographies of famous Americans ranging from explorers and innovators to statesmen and cultural icons. Through straightforward language and compassionate narration, Eggleston stresses each individual's beliefs, determination, and contributions. Eggleston's art not only highlights key events and individuals but it also instills pride and curiosity in the history of the country.

Stories of Great Americans for Little Americans (Illustrated) Edward Eggleston, 2014-04-22 Edward Eggleston teaches American history in the best way possible for children with 52 imaginative stories of great Americans. Eggleston's stories, which bring the people and the times they lived in to life, also encourage American children to be proud of their country. Written to give hours of reading pleasure, Eggleston's 52 stories tell about war heroes, statesmen, explorers, inventors, writers, artists, scientists, and just plain ordinary people who made a difference. The lives of these men and women wonderfully illustrate the virtues children need to emulate in order to be happy and successful adults.

Stories of Great Americans Edward

Eggleston,2015-07-19 Excerpt from Stories of Great Americans For Little Americans The primary aim of this book is to furnish the little learner reading matter that will excite his attention and give him pleasure and thus make lighter the difficult task of learning to read The ruggedness of this task has often been increased by the use of disconnected sentences or lessons as dry and uninteresting as finger exercises on the piano It is a sign of promise that the demand for reading matter of interest to the child has come from teachers I have endeavored to meet this requirement in the following stories As far as possible the words chosen have been such as are not difficult to the little reader either from their length or their unfamiliarity The sentences and paragraphs are short Learning to read is like climbing a steep hill and it is a great relief to the panting child to find frequent breathing places It is one of the purposes of these stories to make the mind of the pupil familiar with some of the leading figures in the history of our country by means of personal anecdote Some of the stories are those that every American child ought to know because they have become a kind of national folklore Such for example are Putnam and the Wolf and the story of Franklin s Whistle About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
