Storm Over Warlock - The Original Classic Edition

,2012-04-02 Finally available a high quality book of the original classic edition of Storm Over Warlock It was previously published by other bona fide publishers and is now after many years back in print This is a new and freshly published edition of this culturally important work by Andre Norton which is now at last again available to you Enjoy this classic work today These selected paragraphs distill the contents and give you a quick look inside Storm Over Warlock On the other side of that was a small cut to a sloping hillside giving on another valley not as wide as that in which the camp stood but one well provided with cover in the way of trees and high growing bushes The path he followed ended abruptly in a cliff drop and Shann made a face at the odor rising from below even though that scent meant he could climb down to the valley floor here without fearing any clak clak attention And he could not have put a name to the new emotion that added so suddenly to his burning desire to make good not only to hold the small niche in Survey which he had already so painfully achieved but to climb until he could stand so in such a group talking easily to that tall man his uncovered head bronze yellow in the sunlight his cool gray eyes pale in his brown face Perhaps it was only his impaired sight but it appeared to him that the Throg followed an erratic path either as if the pilot feared to be caught by a second shot or because that ship had also suffered some injury The length of time between Shann s sighting of the grounded ship and the attack by the Throgs had been so short that he had not really developed any strong hope of rescue to be destroyed by the end of the crippled ship
