socialization that are leaving boys isolated emotionally repressed and adrift Feminist gonzo style she spends months interviewing incels reports on a conference for boys accused of sexual assault crashes at a residential therapy center for young men in Utah talks to a wide range of psychologists and other experts and gets boys of all backgrounds to open up about sex consent porn body image mental health cancel culture screens friendship and loneliness Along the way she finds her simple certainties about male privilege seriously challenged With wit honesty and a refusal to settle for easy answers BoyMom charts a new path to give boys a healthier more expansive and fulfilling story about their own lives **Language**
