I'd Just As Soon Kiss a Wookiee Greg Carter,2025 In a dedicated study of the Star Wars trilogies spanning from 1977 to 2019 Greg Carter contextualizes the popular franchise and its fandom through a critical

mixed race studies framework The project primarily examines the five decade Star Wars phenomenon historically since as Carter states the films mirror the dominant beliefs in American society Just as many have assumed the movies lack racial issues some have claimed that the United States has reached a post racial state where racial difference is irrelevant I d Just as Soon Kiss a Wookiee applies theoretical frameworks posited by Stuart Hall and bell hooks to this analysis of Star Wars as a portrait of post civil rights era race relations in the United States Though the franchise has perpetuated toxicity racism and sexism each of which have roots in longstanding currents of American thinking Carter showcases the perspectives of minority fans intellectuals and performances at a time when many recognize their centrality in the meaning of Americanness With the surplus of spinoffs in the Star Wars franchise Carter limits his study to the three trilogies of the Skywalker Saga In the original trilogy Carter looks at the racial ambiguity present in Darth Vader s cyborg body as well as the whiteness inherent to Princess Leia and the tropes incorporated in her narrative While examining how the prequel trilogy built the Star Wars world the study hones in on the family narrative structure in addition to the actors of color introduced The chapters that focus on the sequel trilogy rely on a variety of minority geek voices to reveal their underappreciated perspectives using these perspectives to understand the fandom ships and the amplified animosity after The Last Jedi 2017 The author conducts this analysis all while asking what is the story of Star Wars especially for those outside of the white cis male audience

Critical Memetic Literacies in English Education Leah Panther, Darren Crovitz, 2023-12-01 This edited collection introduces English and literacy educators to the theoretical research based and practical dimensions of using digital memetic texts memes in the classroom Digital memetic texts come with new affordances particularly as avenues for student creativity voice and advocacy But these texts can also be put to manipulative propagandistic and nefarious purposes posing critical challenges to an informed democratic citizenry Grounded in multimodality and critical literacy this book investigates the fascinating digital dimension of texts audiences and meaning and considers how English educators might take up these conversations in practical ways with students With authentic examples from teachers and students this volume provides a road map to researchers and educators both preservice and in service interested in critical and productive uses of these modern phenomena

Hello, Higher Self Bunny Michael, 2024-06-04 A must read Yung Pueblo inspirational manifesto for creative misfits and sensitive souls James McCrae an inclusive guide to radical self love joy and acceptance that softens the harshness that we can t help but let in from the world Ilana Glazer Insecurities inadequacies self doubt we all have them and never more so than in this age of media saturation and technical voyeurism Enter Bunny Michael an interdisciplinary artist and podcast host whose work picks up where Alex Elle Bren Brown and Julia Cameron leave off Bunny knows what it is firsthand to be an outsider from trying to find their footing in an art world dictated by social media followers to coming to terms with their queer identity to dealing with the societal traumas they ve inherited as a person of color in a society that privileges whiteness It was at a real low point that Bunny first got in touch with their higher self and ever since has been

helping their followers do the same through their art and inspiring Instagram presence Building from Bunny's viral memes Hello Higher Self is a self-care manifesto calling on readers to radically shift their perspectives from the Learned Hierarchical Beliefs (LHBs) we've all internalized to the self-acceptance we were born into aka our Higher Selves This book shines a light into eighteen areas of life where LHBs often lurk from creativity to work to relationships to race to sexual pleasure Bunny's mix of meditative advice written exercises and personal examples make for a jaw-dropping read Hello Higher Self offers the dose of radical self-compassion we all need and serves as a potent reminder that we are enough Bunny Michael offers us a powerful invitation to dismantle the harmful beliefs society imposes on us and embrace our true and lasting worth This is a must-read Yung Pueblo New York Times bestselling author of Inward Clarity Connection and The Way Forward

Adaptation Online Lyndsay Michalik Gratch, 2017-09-05 Adaptation Online Creating Memes Sweding Movies and other Digital Performances explores how traditional notions of the processes and products of creative adaptation are evolving online Using a performance lens and a shift in terminology from the metaphor of the cultural meme to the framing that adaptation affords Lyndsay Michalik Gratch considers online adaptations in terms of creative process and human agency rather than merely as products This book offers a glossary of strategies for online adaptation that is useful not only for scholars in performance studies but also for scholars of cinema communications and new media studies **Encyclopedia of Information Science and Technology, Third Edition** Khosrow-Pour, D.B.A., Mehdi, 2014-07-31 This 10 volume compilation of authoritative research-based articles contributed by thousands of researchers and experts from all over the world emphasized modern issues and the presentation of potential opportunities prospective solutions and future directions in the field of information science and technology Provided by publisher *Digital Culture & Society (DCS)* Anna Näslund, Ramón Reichert, 2025-02-27 Since the full-scale Russian attack on Ukraine on February 24, 2022, warfare on social media and online platforms has introduced a new way of mediatizing war A constant war-related newsfeed on social media and online platforms has emerged Against this background the war in Ukraine represents a fractal war where you choose to subscribe to your own tailored version of warfare in your feed This makes it the most personalized war in history Andrew Hoskins This special issue investigates smartphone use online media platform politics and the impact of the crowdsourced war New forms of digital participation collective witnessing and web archiving by media users and media providers are linked with new methodological and empirical challenges for source analysis of digital forensics jurisdiction and collective memory The contributors analyze digital society and its relationship to war violence genocide witnessing practices and cultural appropriation in a critical and reflective manner Killing Mind Angela Marsons, 2020-05-13 It had seemed so simple Get in get the information get out But now they were getting inside her mind and she didn't know how to stop them When Detective Kim Stone is called to the home of Samantha Brown she finds the young woman lying in bed with her throat cut and a knife in her hand With no sign of forced entry or struggle Kim rules her death a tragic suicide But a visit to

Samantha's parents ring alarm bells for Kim there's something they're not telling her And when she spots a clue in a photograph Kim realises she's made a huge mistake Samantha didn't take her own life she was murdered Then a young man's body is found in a local lake with his throat cut and Kim makes a link between the victim and Samantha They both spent time at Unity Farm a retreat for people seeking an alternative way of life Beneath the retreat's cosy facade Kim and her team uncover a sinister community preying on the emotionally vulnerable Sending one of her own undercover into Unity Farm is high risk but it's Kim's only hope if she is to catch a killer someone Kim is convinced the victims knew and trusted With Bryant distracted by the emergence of a harrowing case close to his heart and an undercover officer in way over her head Kim's neck is on the line like never before Can she protect those closest to her before another life is taken An unbelievably gripping crime thriller from multi-million copy bestseller Angela Marsons that will have you hooked on the Detective Kim Stone series Read what everyone is saying about Killing Mind Killing Mind is one of if not my favourite in the series Well this was just bloody brilliant no other way to put it Goodreads Reviewer The most fabulous crime series ever written Goodreads Reviewer Woohoo Angela Marsons is back with yet another cracking read If you consider yourself a crime thriller lover then this book hell the whole series is unmissable The Book Review Caf I could read about Kim Stone and her team every week and never get bored I love how each book we see more of all the characters personalities This book is simply brilliant as are all her books can't wait for more Goodreads Reviewer The author is so clever with her writing and has the ability to hook you in on the first page and not let you go until the very end It is full of twists and turns dead ends and false clues constantly making you think you've worked it out for it to then all change on the turn of a page This has to be the best crime series I have read and long may Kim Stone continue Fab u lous Stardust Book Reviews I have been an avid reader of detective novels for years and in my opinion nobody does it better than Angela Marsons Goodreads Reviewer I've enjoyed every single book Angela Marsons has written This is a police procedural that will draw you in from page one It's gritty compelling intriguing and one of the best books I've read this year NetGalley Reviewer I absolutely love Angela Marsons and have read all the Kim Stone books I feel like I'm part of the team working alongside them all to catch the killer All other books are abandoned when AM has a new release This title did not disappoint it grabs you by the scruff of the neck and runs with you NetGalley Reviewer There is just something extremely special about the D I Kim Stone series that just gets me hooked as soon as I've read the first page There was quite a few scenes that made me feel quite emotional My reviews will never do this series justice as for me it is just beyond words as to how brilliant this series is and how it just goes from strength to strength with each instalment Goodreads Reviewer

Humor 2.0 Salvatore Attardo, 2023-08-15 The book shows how humor has changed since the advent of the internet new genres new contexts and new audiences The book provides a guide to such phenomena as memes video parodies photobombing and cringe humor Included are also in depth discussions of the humor in phenomena such as Dogecoin the joke currency and the use of humor by the alt right It also shows how the cognitive mechanisms of

humor remain unchanged Written by a well known specialist in humor studies the book is engaging and readable but also based on extensive scholarship **Making Our Future** Emily Hilliard,2022-09-29 Drawing from her work as state folklorist Emily Hilliard explores contemporary folklife in West Virginia and challenges the common perception of both folklore and Appalachian culture as static antiquated forms offering instead the concept of visionary folklore as a future focused materialist and collaborative approach to cultural work With chapters on the expressive culture of the West Virginia teachers strike the cultural significance of the West Virginia hot dog the tradition of independent pro wrestling in Appalachia the practice of nonprofessional women songwriters the collective counternarrative of a multiracial coal camp community the invisible landscape of writer Breece D J Pancake s hometown the foodways of an Appalachian Swiss community the postapocalyptic vision presented in the video game Fallout 76 and more the book centers the collective nature of folklife and examines the role of the public folklorist in collaborative engagements with communities and culture Hilliard argues that folklore is a unifying concept that puts diverse cultural forms in conversation as well as a framework that helps us reckon with the past understand the present and collectively shape the future

a team habits roadmap Team Habits will help you transform your group so team members can flourish and thrive If changing the smallest habit can yield powerful results for an individual then just imagine what it can do for your team The End of Forgetting Kate Eichhorn,2019-07-09 Thanks to Facebook and Instagram our younger selves have been captured and preserved online But what happens Kate Eichhorn asks when we can't leave our most embarrassing moments behind Rather than a childhood cut short by a loss of innocence the real crisis of the digital age may be the specter of a childhood that can never be forgotten *Nostalgic Generations and Media* Ryan Lizardi,2017-05-31 Nostalgic Generations and Media Perception of Time and Available Meaning argues that the cultural rise in nostalgic media has the multi generational impact of making the subjective experience of time speed up for those who are nostalgic as well as create a surrogate nostalgic identity for younger generations by continually feeding them the content of their elders This book is recommended for scholars interested in communication media studies and memory nostalgia studies Years of Rage D. J. Mulloy,2021-11-30 Years of Rage is a revealing and frightening history of the many and varied white supremacist groups that have operated in the United States from the rebirth of the Klan in 1915 through to the rise of the alt right and the presidency of Donald J Trump Historian D J Mulloy explores the motivations and underlying beliefs of these racists their fears of displacement their propaganda their propensity to commit acts of violence and terrorism and their deep and unwavering sense of rage He also considers the important role played by women within the movement as well as white supremacy's deep roots in American society Indeed Mulloy demonstrates that rather than being consigned to the margins of American history at times the 1920s the 1950s the presidency of Trump white supremacy has been remarkably close to the center Wide ranging yet accessible Years of Rage examines a host of fascinating topics and events including the skillful promotion of the Klan by professional salesmen during the 1920s the vicious campaign of violence directed against the civil rights movement during the 1950s and 1960s the development of a Nazi Klan alliance during the 1970s the centrality of esoteric religious beliefs like Identity Christianity to many white supremacists the bombing of the Murrah Federal Building in Oklahoma City in 1995 and the critical role played by the Internet social media and Donald Trump to the startling resurgence of far right in our own time
