capitol: the building where leaders of state government meet to make laws (the capital building in downtown Atlanta has a gold dome roof)

governor: The head of the state whose main job is to carry out state laws (the governor of Georgia is Nathan Deal)

Main Idea: All 3 branches of the state government work together to run the state. Each state has its own constitution, which is a plan for the state's government.

State Government		
Lawmakers	Governor	Judges
• In Georgia, lawmakers are part of the General Assembly • Write new state laws • Rewrite old laws • Vote on laws	• Signs laws • Carries out laws • Selects state workers to head departments	• Make sure laws follow state and national constitutions • Decide punishments when laws are broken

There are two parts of Georgia's General Assembly: the Senate and the House of Representatives.

Main Idea: One responsibility of state government is to provide services to citizens: such as, roads, schools and hospitals.

Each state is part of our nation. Our **NATIONAL** government leads the nation. State governments cooperate with the national government; they work together on projects important to the whole country.
