Federal Communications Commission, 2014 Fight for the Bay Howard R. Ernst, 2009-11-16 In this important new book on the declining health of one of America s leading environmental treasures Howard Ernst reveals a Chesapeake bay that has become functionally dead He argues that the Chesapeake Bay succumbed to a light green environmental movement that has too often adopted a philosophy of compromise over confrontation and that has fueling a political dead zone where political leaders posture but fail to make the hard decisions needed to achieve real improvement in the Bay s health While blunt in his evaluation of past and present failures to restore the Bay Ernst believes that there is still time to turn the restoration effort around and sets out new dark green strategies to do so In the concluding chapter five long time bay activists provide first person accounts of their battles and hopes for the future Hailed by Robert F Kennedy Jr as a must read for anyone concerned about environmental protection this challenging book provides a wake up call for everyone concerned about the future of the Chesapeake Bay and other ecological treasures through out America *Journalism at risk* Onur Andreotti, Nils Muižnieks, Tarlach McGonagle, Sejal Parmar, Başak Çalı, Dirk Voorhoof, Yaman Akdeniz, Kerem Altıparmak, Katharine Sarikakis, Aidan White, Eugenia Siapera, Pierre Haski, 2015-10-01 Is journalism under threat Censorship political pressure intimidation job insecurity and attacks on the protection of journalists sources how can these threats be tackled Journalism at Risk is a new book from the Council of Europe in which ten experts from different backgrounds examine the role of journalism in democratic societies Is journalism under threat The image of journalists as helmeted war correspondents protected by bullet proof vests and armed only with cameras and microphones springs to mind Physical threats are only the most visible dangers however Journalists and journalism itself are facing other threats such as censorship political and economic pressure intimidation job insecurity and attacks on the protection of journalists sources Social media and digital photography mean that anyone can now publish information which is also upsetting the ethics of journalism How can these threats be tackled What is the role of the Council of Europe the European Court of Human Rights and national governments in protecting journalists and freedom of expression In this book 10 experts from different

backgrounds analyse the situation from various angles At a time when high quality independent journalism is more necessary than ever and yet when the profession is facing many different challenges they explore the issues surrounding the role of journalism in democratic societies Ohio's Kingmaker William T. Horner,2010-03-04 For a decade straddling the turn of the twentieth century Mark Hanna was one of the most famous men in America Portrayed as the puppet master controlling the weak willed William McKinley Hanna was loved by most Republicans and reviled by Democrats in large part because of the way he was portrayed by the media of the day Newspapers and other media outlets that supported McKinley reported positively about Hanna but those sympathetic to William Jennings Bryan the Democrats presidential nominee in 1896 and 1900 attacked Hanna far more aggressively than they attacked McKinley himself Their portrayal of Hanna was wrong but powerful and this negative image of him survives to this day In this study of Mark Hanna s career in presidential politics William T Horner demonstrates the flaws inherent in the ways the news media cover politics He deconstructs the myths that surround Hanna and demonstrates the dangerous and long lasting effect that inaccurate reporting can have on our understanding of politics When Karl Rove emerged as the political adviser to George W Bush s presidential campaigns the reporters quickly began to compare Rove to Hanna even a century after Hanna s death The two men played vastly different roles for the presidents they served but modern reporters consistently described Rove as the second coming of Mark Hanna another political Svengali Ohio s Kingmaker is the story of a fascinating character in American politics and serves to remind us of the power of mis perceptions Leadership Communication E.
