attractive cities in Europe due to its rich history and delightful cuisine Due to this many travelers visit Prague for holidays or on a business purpose Czech Republic attracts foreigners by the cheap alcohol and attractive weather As the research shown people in the Czech Republic are not willing to organize many events not because it cost too much but because people do not like to waste their money for that kind of things If they do so they do it for a purpose On the other hand foreigners especially the UK and U S citizens are most likely to visit Prague and organize their events

Hotel Design, Planning and Development Richard H. Penner, Lawrence Adams, Walter Rutes, 2013-05-07 Hotel Design Planning and Development presents the most significant hotels developed internationally in the last ten years so that you can be well informed of recent trends The book outlines essential planning and design considerations based on the latest data supported by technical information and illustrations including original plans so you can really study what works The authors provide analysis and theory to support each of the major trends they present highlighting how the designer's work fits into the industry's development as a whole Extensive case studies demonstrate how a successful new concept is developed Hotel Design Planning and Development gives you a thorough overview of this important and fast growing sector of the hospitality industry

A Meeting Planner's Guide to Catered Events Patti J. Shock, John M. Stefanelli, 2008-10-20 Food and beverage is the largest portion of a meeting budget but most meeting and event planners have no formal background in purchasing and managing this expense This guide helps event meeting and convention planners save money negotiate contracts deal with catering managers and successfully manage the food and beverage aspect of their event Covering everything from styles of service to on premise and off premise considerations to food and beverage contract negotiation this book is a comprehensive and accessible reference for event planners and students

Slavery and Liberation in Hotels, Restaurants and Bars Conrad Lashley, 2020-10-06 This is the first book to explore workforce slavery and liberation together within commercial hotel restaurant and bar activities the hospitality industry being particularly vulnerable to potential illegal action and reputational damage via involuntary involvement in human trafficking and sexual exploitation Slavery is the most oppressive form of labour exploitation and is illegal in Western Europe and most of the industrialised world On the other hand neo slavery oppresses the powerless through low pay and employment practices that predominantly serve the interests of the employer This book explores the most exploitative forms of slavery neo slavery and human trafficking in the hotel industry and offers insights into empowerment through liberative trade unions and worker co operatives The study's multifaceted cross cultural approach includes in depth chapters on Brazil and the Netherlands as well as a multitude of examples from the UK exposing the topic as an international problem Written by international specialists this significant book will appeal widely to upper level students and researchers in hospitality and specifically to all those interested in human resource management in the hospitality and hotel industry as well as human rights issues and business ethics
