Standards Of Ministry:

Standards of Ministry Jay Nembhard, Fred Rubi, 2014-12-30 Why Standards That s the question Companies sports teams and the military all have standards of conduct and lifestyle expectations but for the church to make any demands on its ministers is frowned upon and even called cultish In this book Jay Nembhard will explain the framework or spirit behind standards so the reader understands it is not just a bunch of rules like the Pharisees of Jesus day You will learn about the reasons the goals and the practical application of standards Standards for ministry is not a new concept The saying is trustworthy If anyone aspires to the office of overseer he desires a noble task Therefore an overseer must be above reproach the husband of one wife sober minded self controlled respectable hospitable able to teach not a drunkard not violent but gentle not quarrelsome not a lover of money He must manage his own household well with all dignity keeping his children submissive for if someone does not know how to manage his own household how will he care for God s church 1 Timothy 3 1 5 What does this mean in our modern world Who holds us accountable Jay Nembhard answers these questions and gives a biblical approach to controversial topics such as Tithing TV Faithfulness Drinking Wine This book is a great tool for personal study reference and the instruction of disciples If you find it hard to articulate why you live by certain standards this book will help give a clear sound explanation
