nez is fierce funny and smart She was born into a world where being a girl is a dangerous thing In the mountains of Guerrero Mexico women must fend for themselves as their men have left to seek opportunities elsewhere Here in the shadow of the drug war bodies turn up on the outskirts of the village to be taken back to the earth by scorpions and snakes School is held sporadically when a volunteer can be coerced away from the big city for a semester In Guerrero the drug lords are kings and mothers disguise their daughters as sons or when that fails they make them ugly cropping their hair blackening their teeth anything to protect them from the rapacious grasp of the cartels And when the black SUVs roll through town Ladydi and her friends burrow into holes in their backyards like animals tucked safely out of sight While her mother waits in vain for her husband s return Ladydi and her friends dream of a future that holds more promise than mere survival finding humor solidarity and fun in the face of so much tragedy When Ladydi is offered work as a nanny for a wealthy family in Acapulco she seizes the chance and finds her first taste of love with a young caretaker there But when a local murder tied to the cartel implicates a friend Ladydi s future takes a dark turn Despite the odds against her this spirited heroine s resilience and resolve bring hope to otherwise heartbreaking conditions An illuminating and affecting portrait of women in rural Mexico and a stunning exploration of the hidden consequences of an unjust war Prayers for the Stolen is an unforgettable story of friendship family and determination

Emergent Curriculum in the Primary Classroom Carol Anne Wien,2015-04-26 How is a compelling

exemplary curriculum created in schools in spite of the pressures to implement a standardized one In this book teachers and principals share their experiences with emergent curriculum and with the creative practices they've developed in urban classrooms kindergarten to 3rd grade We learn what they were trying to do how they began the process the challenges they faced the decisions they made and what happened to the children All chapters are written by teachers who have found ways of interpreting the Reggio approach to enrich their teaching within the confines of traditional schools This book is essential reading for anyone wishing to understand emergent curriculum and for all who hope to nurture an enlivening energizing way to learn in classrooms The inspiring stories presented here illustrate Ways that early childhood values and practices have been sustained and promoted in elementary schools Exemplary teaching practice where children want to learn and teachers want to teach How the influence of the Reggio Emilia approach is reaching into urban public school environments with diverse populations Democratic participatory teaching that offers visions of responsible citizenship for children This book is a treasure trove of useful frameworks wonderful teacher stories and memorable insights It demonstrates the remarkable potential of children and teachers and it clarifies how North American elementary school educators can take hold of ideas from Reggio Emilia and integrate them with their own ideals and standards Carolyn Pope Edwards University of Nebraska Lincoln Carol Anne Wien demonstrates again that she can illustrate complex ideas this time the theories underlying the Reggio Emilia approach in innovative ways for a broad audience Celia Genishi Teachers College Columbia University A must read for educators seeking an antidote to prescriptive curricular practice that respects neither children nor teachers Curt Dudley Marling Lynch School of Education Boston College This book provides long overdue and compelling pathways for extending Reggio Emilia principles into the primary grades It will encourage readers to feel their way into the spirit and substance of emergent curricula and come away rejuvenated Daniel Scheinfeld Erikson Institute Chicago Illinois
