Meredith Willson - America's Music Man Bill Oates, 2005-08-15 Meredith Willson America's Music Man is a loving thorough and accurate examination of one of Broadway's great composers It tells the story before during and after The Music

Man opened in 1957 The story of Willson s family his life in Mason City Iowa and his eventual rise to the top of the music world forms the platform that led to four musicals and dozens of awards Also included are Willson s activities scoring movies directing orchestras on Old Time Radio and even becoming a character on radio and television shows This is the first in depth look at the career of a real music man from north central Iowa **Jacob's Band Monthly** ,1929 **Death Climbs a Tree** Sara Hoskinson Frommer,2005-08-01 I can t play the concert Sylvia Purcell said I have to sit in a tree Joan Spencer manager of the local Civic Symphony is up a tree herself when one of her top violinists deserts the orchestra right before a concert Sylvia is looking for publicity in protest of a local environmentally unfriendly construction project But before she can be talked down peacefully Sylvia crashes to the ground right at the feet of Joan s son Andrew and it s clearly no accident For Joan the question of just who knocked Sylvia into the next world becomes far more interesting than making sure the orchestra is ready for the big event Could Sylvia have been killed by the shifty contractor who s always nearby The Earth Freedom Fighters who defaced his equipment The source of the mysterious moving lights in the woods late at night Or does all the evidence point to Joan s son Andrew himself No one seems to have any answers but the biggest question of all is particularly close to Joan s heart Just how much danger Andrew in Sara Hoskinson Frommer is a true master of the atmospheric small town mystery and **Death Climbs a Tree** is another superb entry in a series that continues to please **A Treasury of Iowa Tales** Webb Garrison,Janice Beck Stock,2000-04-29 Unusual interesting and little known stories of the state of Iowa **A Treasury of IowaTales** is aimed at the target of familiarity plus novelty These suspense packed stories constitute history for the ordinary person and a few include really great traditions passed orally from generation to generation

Growing Up in God's Country, Part 2: Still Growing! El McMeen,2024-08-05 El McMeen is a renowned musician a Christian minister and a humorist His passions include the three M s ministry music and mirth Those three subjects reign in this Volume 2 to El s acclaimed memoir from 2018 **Growing Up in God s Country** The earlier book starts with El s birth and a disability cerebral palsy and takes the reader on a captivating ride to what El characterizes with a chuckle as his early dotage This book covers the ensuing six years during which God at work moments explode in all three M areas Miracles surprises and delights spring up in this book El s tone ranges from breezy to serious from humorous to introspective from self deprecating to evangelistic El gives God the credit for the miracles in his life and for the doors God has opened for him He encourages readers to recognize the doors that are being opened for them and to charge through them **A Round-Heeled Woman** Jane Juska,2004-05-11 Round heeled is an old fashioned label for a woman who is promiscuous someone who nowadays might be called easy It s a surprising way for a cultured English teacher with a passion for the novels of Anthony Trollope to describe herself but then that s just the first of many surprises to be found in this poignant funny utterly unique memoir Jane Juska is a smart energetic divorc e who decided she d been celibate too long and placed the following personal ad in her favorite newspaper **The New York Review of Books** Before I turn 67 next March I would like to have a lot of sex with

a man I like If you want to talk first Trollope works for me This closing reference was a nod to her favorite author of course The response was overwhelming and Juska took a sabbatical from teaching to meet some of the men who had replied And since her ad made it clear that she wasn't expecting just hand holding her dates zipped from first base to home plate in record time Juska is a totally engaging perceptive writer funny and frank about her exploits It's high time someone revealed the fact that older single people are as eager for sex and intimacy as their younger counterparts Jane Juska's brave honest memoir will probably raise eyebrows and blood pressure but it will undoubtedly appeal to the very large audience of grown up readers who will be fascinated and inspired by her daring adventure **Princeton Alumni Weekly**, 2009 *The Vonnegut Encyclopedia* Marc Leeds, 2016-10-25 Now expanded and updated this authorized compendium to Kurt Vonnegut's novels stories essays and plays is the most comprehensive and definitive edition to date Over the course of five decades Kurt Vonnegut created a complex and interconnected web of characters settings and concepts The Vonnegut Encyclopedia is an exhaustive guide to this beloved author's world organized in a handy A to Z format The first edition of this book covered Vonnegut's work through 1991 This new and updated edition encompasses his writing through his death in 2007 Marc Leeds co-founder and founding president of the Kurt Vonnegut Society and a longtime personal friend of the author's has devoted more than twenty five years of his life to cataloging the Vonnegut cosmos from the birthplace of Kilgore Trout Vonnegut's sci fi writing alter ego to the municipal landmarks of Midland City the midwestern metropolis that is the setting for Vonnegut's 1973 masterpiece *Breakfast of Champions* The Vonnegut Encyclopedia identifies every major and minor Vonnegut character from Celia Aamons to Zog as well as recurring images and relevant themes from all of Vonnegut's works including lesser known gems like his revisionist libretto for Stravinsky's opera *L'Histoire du soldat* and his 1980 children's book *Sun Moon Star* Leeds provides expert notes explaining the significance of many items but relies primarily on extended quotations from Vonnegut himself A work of impressive scholarship in an eminently browsable package this encyclopedia reveals countless connections readers may never have thought of on their own A rarity among authors of serious fiction Kurt Vonnegut has always inspired something like obsession in his most dedicated fans The Vonnegut Encyclopedia is an invaluable resource for readers wishing to revisit his fictional universe and those about to explore it for the first time Praise for The Vonnegut Encyclopedia An essential collection for fans of the singular satirist *San Francisco Chronicle* *Indispensable Publishers Weekly* If you're somebody who has read one Kurt Vonnegut book then there's a chance you've read them all For the devout reader of Vonnegut there's a voracious sense of completism And Marc Leeds and his new *The Vonnegut Encyclopedia* are here to guide you through it all Just don't blame him if you become unstuck in time while you're reading Inverse Vonnegut enthusiasts will be delighted with Leeds's exhaustive almost obsessive treatment of the characters places events and tantalizingly mysterious references for which Vonnegut's five decade writing career is celebrated A wonderful and beautifully designed reference source Booklist starred review Leeds's scholarship and genuine love for his subject matter render this
