Hitty Her First Hundred Years Rachel Field, 2009-10-27 Hitty is a doll of great charm and character It is indeed a privilege to publish her memoirs which besides being full of the most thrilling adventures on land and sea also reveal her delightful personality One glance at her portrait will show that she is no ordinary doll Hitty or Mehitable as she was really named was made in the early 1800s for Phoebe Preble a little girl from Maine Young Phoebe was very proud of her beautiful doll and took her everywhere even on a long sailing trip in a whaler This is the story of Hitty's years with Phoebe and the many that follow in the life of a well loved doll *The Missing Horse Mystery* Carolyn Keene, 2011-09-27 A SEARCH

Fletcher, 1997-11 Fifteen year old Kara is summoned by King Orrik who believes she has the power to call down the dragons that have been plundering his realm and she is caught up in the fierce rivalry between Orrik and his jealous brother Rog

Without a Trace Carolyn Keene, 2012-04-24 Hi I'm Nancy Drew and I've got a case to crack Actually make that two cases First a gorgeous Fabergé egg has been stolen Who would have the heart to snatch such a precious family heirloom from someone new to town Some housewarming that is And if this isn't enough to keep me busy someone's running through gardens and stomping on all the zucchinis Needless to say it's a big mess in more ways than one Especially for Mr. Safer who is suspected of squishing the squash I'm pretty sure Mr. Safer's innocent But who's the real vegetable vandal **Mystery on Maui**

Carolyn Keene, 2013-01-29 Nancy Bess and George are on Maui to check out a major international surfing competition But there's trouble in paradise big money is at stake in the contest and someone's playing a dirty game **Alice's Book**

Karina Urbach, 2022-05-12 A remarkable and important story BBC Radio 4 Woman's Hour Unputdownable Urbach has also retold the tragic Holocaust story in quite unforgettable lines A. N. Wilson In a remarkable new book Alice's granddaughter Karina a noted historian has traced what happened to her family but also what happened to the cookbook Daniel Finkelstein This fascinating book by Alice's granddaughter Karina Urbach shines a spotlight on this lesser known aspect of Nazi looting The Times A gripping piece of 20th century family history but also something much more original a rare insight into the Aryanisation of Jewish authored books during the Nazi regime Financial Times What happened to the books that were too valuable to burn Alice Urbach had her own cooking school in Vienna but in 1938 she was forced to flee to England like so many others Her younger son was imprisoned in Dachau and her older son having emigrated to the United States became an intelligence officer in the struggle against the Nazis Returning to the ruins of Vienna in the late 1940s she discovers that her bestselling cookbook has been published under someone else's name Now eighty years later the historian Karina Urbach Alice's granddaughter sets out to uncover the truth behind the stolen cookbook and tells the story of a family torn apart by the Nazi regime of a woman who with her unwavering passion for cooking survived the horror and losses of the Holocaust to begin a new life in America Impeccably researched and incredibly moving Alice's Book sheds light on an untold chapter in the history of Nazi crimes against Jewish authors As this engaging memoir makes clear the theft of the cookbook remained for Alice's entire life the symbol of everything that had been taken from her TLS Translated from the German by Jamie Bulloch **Where's Nancy?**

Carolyn Keene, 2005-06 Nancy's disappearance leads her friends on a mystery tour looking for her **Dangerous Plays**

Carolyn Keene, 2011-09-13 Dad Bess and I are all set for London when Ned's Shakespeare professor asks us to do a simple favor to take a look at his townhouse while we're there since he can't seem to locate the housekeeper and fears something's wrong Sounds easy enough so I take the key Eager to cross the favor off our list we stop by 53 Banbury Square shortly after we land And let's just say things in the townhouse aren't quite tip top And the key Well it unlocks a Pandora's box of serious trouble **Uncivil Acts**

Carolyn Keene, 2012-05-01 A Civil War reenactment should be fun right Not in our town It feels like war fever's taken over The tension started to build when we all chose sides Confederate and Union sympathizers never did mix And if that wasn't enough to heat things up someone started to secretly dig large

holes in the battlefield Pretty odd and very suspicious Is someone waging a little war of their own and trying to cheat And if so the bigger question is why **En Garde** Carolyn Keene,2012-05-15 Nancy s heading to London to crack the case in this New York Times bestselling series George gets into fencing in a big way which means lots of cool matches for Nancy and Bess to watch But when an inexplicably deadly rivalry between two of the strongest fencers rears its ugly head Nancy gets of the bleachers and starts sleuthing Can she figure out what the rivalry s all about before someone gets fenced in Book Friends Rose Lees Hardy,Edna Henry Lee Turpin,1929 **The Chocolate-Covered Contest** Carolyn Keene,2013-02-12 Nancy can hardly believe it While visiting an amusement park owned by the world famous Royal Chocolates Company her friend Bess tears open a million dollar candy wrapper in a contest But when they go to collect they re told that someone else has won And then they re accused of tampering with the winning wrapper Something is rotten in chocolatetown The proof comes when Nancy and her friends are treated to a near death experience in the park s animal safari Someone s pulling a million dollar swindle and getting Nancy and her friends out of the way seems to be the icing on the cake If Nancy isn t careful she just might learn the real meaning of Death by Chocolate Framed Carolyn Keene,2006 Nancy Drew tries to free a prince who has been framed for the theft of a painting **High Risk** Carolyn Keene,2004-03 Nancy tries to find a document that will help a friend keep the land a corporation wants to buy out from under her *Raji, Book Three* Charley Brindley,2021-03-27 October 1932 At the beginning of the Great Depression schools and universities all over America were cutting back and even closing their campuses Raji and Fuse like so many other young people were to be cut adrift Having concentrated on nothing but academics for the past four years they weren t prepared for the brutal economic realities of a world sinking into misery and hopelessness **Forever Finite** Kip K. Sewell,2023-08-01 INFINITY IS NOT WHAT IT SEEMS Infinity is commonly assumed to be a logical concept reliable for conducting mathematics describing the Universe and understanding the divine Most of us are educated to take for granted that there exist infinite sets of numbers that lines contain an infinite number of points that space is infinite in expanse that time has an infinite succession of events that possibilities are infinite in quantity and over half of the world s population believes in a divine Creator infinite in knowledge power and benevolence According to this treatise such assumptions are mistaken In reality to be is to be finite The implications of this assessment are profound the Universe and even God must necessarily be finite The author makes a compelling case against infinity refuting its most prominent advocates Any defense of the infinite will find it challenging to answer the arguments laid out in this book But regardless of the reader s position Forever Finite offers plenty of thought provoking material for anyone interested in the subject of infinity from the perspectives of philosophy mathematics science and theology
