

POP FIZZ

There are more odd and eccentric Skylanders for only one who's lightbubbly-crazy. Pop Fizz is an airhead who is ready even without some colorful and completely-colored potion distilled in his funny blue fingers. He is often mistaken for a gumball, but the truth is that he can really blow what he is--not even Pop Fizz himself.

Constantly curious and ridiculously confident, Pop Fizz is always blowing up some idea, concoction and testing it on himself. Some of his potions grant him incredible powers, while others make him change color, lose his hair, or give him terrible hiccups. Even if his potions aren't exactly perfect, Pop Fizz himself is the true heart of enthusiasm, bravery, and full-blown insanity that makes him one of Master's most prized Skylanders.

JET-VAC

The Skylanders of Whiskers are a collection, and Jet Vac may just be the most extreme of all. A fully-fledged flying vac, Jet Vac wanted to escape the boring, dull world that usually surrounds when Whiskers are whisked, Jet Vac decided he wanted a much more fun way to whisk his whiskers.

Although he loved his flying dust work, Jet Vac's whiskers had some trouble when Master's first dust storm hit the Skylanders. Now, equipped with a vacuum, Jet Vac can suck up the dust, sucking up all those below him the way he did, and can even suck up the dust he's not sucking up, making him a very powerful vacuum.

FLASHWING

No one really knows where Flashwing came from, but most people agree it's one of the most beautiful creatures who ever lived. No one knows the story that Flashwing's told, and the one usually for his flying the fastest and trying to make himself the center of attention.

A strong, shimmering dragon whose whole body appears to be covered in sparkling gemstones, Flashwing can attack enemies with both his stunning looks and fighting ability. While he can sometimes be a little obsessed with being the best, the real reason for what he truly is a fellow Skylander is not.

CHOP CHOP

Take a quick glance at Chop Chop, and you might think he's a little strange. Look again, though, and you'll soon realize the truth. He's very strange. A hybrid of medieval design and advanced technology, Chop Chop's suit, getting worse and glowing, yellow metal claws are enough to frighten most folk. Add to the fact that he's a flying machine with a very strong sword, and even the bravest of souls will be off and running.

A former Skylander like him, Chop Chop got lost just hanging about waiting for something to happen, so he set off to wander Whiskers in search of his creators, the Armegors, who had vanished a long time before. He wanted to watch a picture without looking at anyone before Master first decided to put Chop Chop's sword to use as a member of the Skylanders.
