## **Slam Nick Hornby Study Guide:**

Slam Nick Hornby, 2007 At the age of fifteen Sam Jones's girlfriend Alicia gets pregnant and Sam's life of skateboarding and daydreaming about Tony Hawk changes drastically so Sam turns to Hawk's autobiography for answers      *Reading for Pleasure* Kenny Pieper, 2016-12-01 In *Reading for Pleasure* Kenny Pieper has gathered a range of tried and tested strategies to get kids reading and enjoying it We hear too often that kids don't read any more Kenny thinks it should be every teacher's mission to prove this isn't true In a squeezed curriculum it can be tempting to accept pupils' lack of reading and make excuses that there is not enough time to give to the luxury of personal reading Teachers do this at our peril Reading is the essential building block of further literacy development as well as a skill hobby and habit that we can take with us forever Kenny Pieper takes the act of reading for granted as many but sadly not all adults do You're reading this right now However this isn't the case for everyone Kenny teaches kids whose lives are terrifying obstacle courses of reading related problems They know they struggle with reading so they try to avoid reading at all costs They leave school not merely unaffected by this strange reading thing but saddled with a great deal of emotional baggage about being an outsider even more entrenched in a belief that reading is for others more intelligent than them Then there are the children who can read perfectly well but chose not to unconvinced of the importance of reading in their lives What difference does it make to them We have to answer that question in school We have a duty to put an end to illiteracy and aliteracy Kids need reading role models and as a teacher that role model is you You may be the only adult who that reluctant reader will ever see reading Teachers are critical in giving all children the gift of being able to read well and to value reading Topics covered include the author's personal reading journey how reading enabled him to become the first person in his family to go to university and convinced him that fostering a love of reading is his moral duty as an educator illiteracy and aliteracy reluctant readers book reviews prioritising personal reading by devoting ten minutes each lesson to it habitual reading the reading environment interest inventories technology e readers Accelerated Reader programmes recommended reading building a class library bookmarks book tweets book speed dating libraries librarians literacy and class inequality parental involvement podcasting reading records reading dialogue journals the rights of the reader reading aloud silent reading and literacy and gender amongst others The benefits we can all reap when kids become confident readers who read for pleasure are obvious Discover strategies which will get kids talking about books get them thinking about books get them reading books encourage independent reading develop literacy skills and establish a classroom culture where reading is expected and celebrated Suitable for primary and secondary teachers leaders and SENCOs or just anyone with an interest in or responsibility for getting kids to read      *Supporting Reading in Grades 6-12* Sybil M. Farwell, Nancy L. Teger, 2012-06-11 This book presents a curricular framework for students grades 6-12 that school librarians and teachers can use collaboratively to enhance reading skill development promote literature appreciation and motivate young people to incorporate reading into their lives beyond the required schoolwork

Supporting Reading Grades 6-12 A Guide addresses head on the disturbing trend of declining leisure reading among students and demonstrates how school librarians can contribute to the development of lifelong reading habits as well as improve students motivation and test scores The book provides a comprehensive framework for achieving this the READS curriculum which stands for Read as a personal activity Explore characteristics history and awards of creative works Analyze structure and aesthetic features of creative works Develop a literary based product and Score reading progress Each of these five components is explained thoroughly describing how school librarians can encourage students to read as individuals in groups and as school communities support classroom teachers instruction and connect students to today s constantly evolving technologies Used in combination with an inquiry information skills model the READS curriculum enables school librarians to deliver a dynamic balanced library program that addresses AASL s Standards for the 21st Century Learner
