Blackman,1992-05-01 **The Seeds of Change** Galen Keith Thomas,2017-11-01 The Seeds of Change is a collection of inspired poems that help bring to life several of the key lessons taught within God's word the Holy Bible These poems combined with short lessons based on key verses of scripture illustrate some of the primary elements these lessons of verse are trying to convey So often people are interested to learn more about how the Bible relates to their personal lives and experiences but they really do not know where to begin or how to go about it The Seeds of Change can help show them just how to achieve that relationship The poems package these teaching in what some might consider a more palatable and relatable form while the passages from scripture illustrate just how the Bible relates to our everyday lives By first sharing the message in language familiar to most readers then exposing the reader to that same concept within the scriptures the reader begins to understand just how God intended the Bible to be used in our everyday lives In that sense the poems and scripture combine together to create the lessons of verse that plant God's seeds of change into the mind of the reader And as any follower of our Lord and savior Jesus the Christ knows when these seeds are planted within good ground they will not return void For He is the way the truth and the life and no one will reach the father except by him **Practical Poetry on Slaying Dragons** Sherry L. May,2001-09 **Hope in The Morning One Man's Struggle With Addiction and What it Means For You** Michael G.,2009 But he never forgot the God of his youth and a relationship that nourished and protected him when he was very young Twenty years go by and Michael is married and fully invested in his chosen profession yet still angry at God It was in the rooms of Al Anon where Michael rediscovered his faith in a God that cares and began the challenging journey back to the God of his youth But God wasn't through with Michael In 1985 having a profound spiritual experience he rededicated his life to the Lord accepting God's forgiveness mercy and grace for his past indiscretions The Scriptures became alive to him He devoured the Scriptures at every opportunity Since then he has been in leadership in various churches But God had more blessings for Michael He hit another bottom when his attorney job ended Shortly after that he attended Sierra Tucson for treatment of his codependency grief and other unresolved issues This was another turning point in his life Michael uses his experience as a lawyer and Christian Life Coach to be of greater service to others Since 1998 Michael runs The Serenity Shack a sober living home for men Michael lives in Long Beach CA Taking his Australian Shepherd Oreo for her run is the favorite part of his and her day He can be contacted at hisbagofgoldjuno.com **Writings of an Incoherent Man** Matthew Dillon,2021-02-24 This is a composition of writings I've done while drinking I found it to be easier to write down how I feel that way Most of these writings are about love some about hurt and death The short story at the end was the hardest to write about These are all personal feelings and thoughts **Falling In Love With Love** B'Lkaar Singh,2011-03-11 **Everyone Should Be Afraid to Sin** Donald P. Oliver,2025-10-29 There are many voices to listen to in this world aiming to convince you to participate in sin to the point that it seems like everybody is sinning so it must be okay Yet the same scenario happened before the earth was flooded during Noah's time and only eight people were saved from the

flood Are we in the last days In the Holy Bible in Matthew chapter 24 Jesus speaks about things that will happen in the end times and many of those things are happening wars and rumors of wars earthquakes famine and nations against nations In that chapter of the book of Matthew Jesus also lets us know that no one knows the hour or the day when that will happen Considering a day is as a thousand years and a thousand years is as a day to the Lord we must not be stuck in our sin when the end does come We are all born into this world in our personal last days not knowing when we will die and then the judgment This book brings light to the subject that we will be judged and through Jesus we can be declared not guilty if Jesus is our Savior Second Corinthians chapter 2 speaks about not being ignorant of Satan s schemes Still if you don t study God s Word for yourself you can perish from the lack of knowledge about sin hell and salvation because there is no lack of liars who say something is in the Bible when it is not to convince you that something is not sin when it is Please don t wait until it is too late for salvation
