The Persistence of Race Lara Day,Oliver Haag,2017-10-01 Race in 20th century German history is an inescapable topic one that has been defined overwhelmingly by the narratives of degeneracy that prefigured the Nuremberg Laws and death camps of the Third Reich As the contributions to this innovative volume show however German society produced a much more complex variety of racial representations over the first part of the century Here historians

explore the hateful depictions of the Nazi period alongside idealized images of African Pacific and Australian indigenous peoples demonstrating both the remarkable fixity race had as an object of fascination for German society as well as the conceptual plasticity it exhibited through several historical eras [A Theoretical and Practical Treatise on the Diseases of the Skin](#) John Bell, P.
