Skin Deep (Skin Deep #1) J. M. Stone, 2013-04-26 Oh who was she kidding Emma knew that going to the tattoo shop with her best friend Allie would result in getting badgered until she ended up with some sort of needle piercing her flesh in one way or another What she didn't plan on was ending up face first on the floor of the shop with a busted lip Or doing it in front of the hottest guy she'd seen since well ever Mortified Emma never thought she'd ever step foot back in Skin Deep again But fate with a little help from Emma's flighty best friend and a chance encounter with a fudge bar steps in Now Emma's torn between taking a chance on getting her heart broken by the enigmatic gorgeous Lucas and playing it safe with good ol' trusty B O B Lucas lets Emma know that he gets what he wants and what he wants is her When Emma gives in and quits pushing him away she's surprised at how quickly the walls around her heart crumble She's even more surprised that her unconventional zany family just endears her even more to him But no one knows there's someone that wants her more and they'll stop at nothing to get her Recommended for readers 18 due to HOT sexual encounters adult situations and language

Stone, 2015-05-15 Who would have thought that she'd ever have to thank her brother and the drunken ogre who didn't know when to sit down and shut up of course for literally dropping her into the arms of the man of her dreams Not Leah that's for sure But now she's had to thank Calland a thousand times over for taking her and Chloe with him to the UFC fight that landed her in the arms and bed of the tall tattooed sexy as sin Ian Ever since Leah and Ian have been inseparable they're happy and in love But there's someone who's determined to see that happiness end Victoria has been a pain in Ian's ass all his life though a harmless one Family friends since childhood he's laughed off her random visits and claims of undying love Now with Leah in the picture Victoria has upped the ante and it's no longer a laughing matter Victoria may claim to be crazy in love or just plain crazy but Ian and Leah with all the usual suspects at their backs to offer love and support and lots of laughs along the way make it known that they're in it for the long haul and Victoria can't change that But Victoria is used to getting what she wants and what she wants is Ian And she's made it clear that she'll do whatever it takes to have him Recommended for readers 18 due to HOT sexual encounters adult situations and language This is book four of the Skin Deep Series recommended to read after Skin Deep book one of the series Under My Skin book two of the series and Skin to Skin book three of the series Report Himachal Pradesh (India).
