Liz may be sisters and yes named after a pair of much more famous siblings but that's about all they have in common Maggie is a free spirit travelling the world flitting through life and relationships without ever really having to connect Liz meanwhile is the lynchpin of Little Martin village society and determined to be the perfect wife mother and homemaker even if she does live in a new build When Liz and Maggie's beloved grandmother Queen Vic dies in a characteristically dramatic fashion they are left to deal with the aftermath inheriting the family Manor as well as full responsibility for their profligate father a notorious womaniser who causes trouble wherever he goes Maggie and Liz have been living separate lives for years but now might finally be the time to put their differences behind them A joyous read ANNIE LYONS An Untidy Death Simon Brett, 2021-08-01 When the body of a prospective client is discovered in her burned out home declutterer Ellen Curtis is drawn into a baffling investigation where nothing is as it first appears My mother's going to kill herself That is if I don't kill her first When Alexandra Richards approaches professional declutterer Ellen Curtis to ask her to help sort out her mother's chaotic flat Ellen gets the impression Alexandra doesn't like her mother very much But when Ingrid Richards body is discovered in her burned out home Alexandra's exasperated words don't seem such a joke Due to the hazardous state of the victim's over cluttered residence the police are inclined to dismiss her death as an unfortunate accident Ellen's not so sure Could Alexandra's resentment towards her mother have escalated into outright violence The more she discovers about the dead woman's remarkable past the more convinced Ellen becomes that there's something decidedly suspicious about her death At least she can console herself that clearing out widower Edward Finch's bungalow will be a straightforward job in comparison But in this assumption Ellen couldn't be more wrong **The Desperate Union** Ewoud van Laer, 2019-11-25 The European Union's origins lie in the ruins of World War Two This war inflicted huge psychological damage and everyone came to the same conclusion no more war European integration proved a successful tool for realising this deep seated need Now 60 years on the tool appears to have lost its effectiveness A large section of the population is worried about the EU's common policies Will the Greeks ever pay back those billions Will immigrants ever really integrate For 60 years European integration has been proceeding regardless without taking cultural differences into account Can this process carry on unnoticed Has the integration process perhaps gone too far Will it at some point stir up such powerful counterforces that the European Union becomes a victim of its own success The Desperate Union discusses the consequences of the profound cultural differences in Western Europe and emphasises the role cultural differences can play in the debate about further European integration The Inspector Carlyle Omnibus (Books 1-3) James Craig, 2013-12-19 The first three Inspector Carlyle novels at a great price London Calling Can you win an election and cover up murder at the same time When Inspector John Carlyle finds a body in a luxury London hotel room he begins a journey through the murky world of the British ruling classes which leads all the way to the top In the middle of a General Election a murderer is stalking the man poised to be the next Prime Minister With power almost in his grasp Edgar Carlton will not stand idly by while his birthright is threatened Operating in a world

where right and wrong don't exist and the pursuit of power is everything Carlyle has to find the killer before Carlton takes the law into his own hands Never Apologise Never Explain Jake Haggard has been kidnapped by his father who is threatening to sell the boy to a paedophile ring Carlyle is struggling to get him back It's not his case but it is his problem it was his fault Jake was taken in the first place But Carlyle's own caseload includes the murder of Agatha Mills Her husband Henry has been arrested for murder but his explanation is so outlandish that Carlyle wonders if it may just be true Agatha is the sister of William Pettigrew a priest killed in Chile during the Fascist coup in 1973 and after 30 years of campaigning Agatha was about to see his killer brought to justice So a seemingly straightforward case of murder quickly escalates into a diplomatic incident that has Carlyle once again clashing with his bosses and their political masters Buckingham Palace Blues When Inspector John Carlyle discovers a disorientated girl in a park near Buckingham Palace he takes it upon himself to find out who she is and where she's from His hunt for the identity of this lost girl takes him from Ukrainian gangsters in North London to the lower reaches of the British aristocracy Soon the inspector is on the trail of a child trafficking ring that stretches from Kiev to London and back to the palace itself **Still Life** Val McDermid, 2020-10-06 A Scottish police inspector deals with forgeries and false identities in a new murder mystery in the superior series The New York Times When a lobster fisherman discovers a dead body in Scotland's Firth of Forth DCI Karen Pirie is called into investigate She quickly discovers that the case will require untangling a complicated web involving a long ago disappearance art forgery and secret identities that seems to surround a painter who can mimic anyone from Holbein to Hockney Meanwhile a traffic accident leads to the discovery of a skeleton in a suburban garage Karen has a full plate and it only gets more stressful as the man responsible for the death of the love of her life is scheduled for release from prison reopening old wounds just as she was getting back on her feet From a Diamond Dagger Award winner and multiple Edgar Award finalist Still Life is a tightly plotted mystery featuring an investigator whose unwavering confidence is tempered by a strong dose of kindness and sense of justice Booklist There are few other crime writers in the same league Maureen Corrigan The Washington Post *Letters From The Open Road (Vol. 1)* Sidharth Sharotri, 2023-01-05 From the completely juvenile yet brilliant mind of Sidharth Sharotri comes a compilation of his serious automobile journalism work which consisted of him driving posh cars and making up stories around them for newspapers These highly technical read not at all technical articles first appeared in a weekly motoring page called Honk in Deccan Chronicle and Asian Age between 2013 and 2015 which this author was exclusively entrusted with Letters from the Open Road does exactly what his newspaper articles did make the reader giggle a little bit while making them wonder if they should chase their own childhood dreams [Last Resort \(Bob Skinner series, Book 25\)](#) Quintin Jardine, 2015-04-09 LAST RESORT is the twenty fifth novel in the Bob Skinner series by Quintin Jardine Scotland's master of crime and sees the Edinburgh cop back as never before After thirty years of service former Chief Constable Bob Skinner faces the possible end of his police career at its pinnacle A trip to Catalunya to contemplate his future soon takes on
