

Sample Essay on Slavery

Slavery is a vital issue to debate about when looking at American history from the days of colonialism as well as the growth of colonies in Chesapeake and New England. Africans who were transported from Africa were exposed to tough treatment as well as manual jobs in American plantations and as servants in farm houses. The leading goal of this paper is to fathom Ira Berlin's argument that slavery entailed an element of negotiation, regardless of how irregular was the outcome of the mediation. This, in line with Berlin validated slaves to enjoy a certain level of sovereignty.

Berlin's context offers a less influential means of fathoming what slavery is all about. This can be attributed to the verity that he perceives slavery and the slave trade as a kind of trade between a slave and the slave owner. As far as this kind of trade was helpful to the white people, by providing them with household and farm workers, it was deliberated as an atrocity directed to Africans as they were deprived of essential human rights. Other than the hurt and desolation that the slaves went through while at the mercy of their bosses cannot be perceived to have been helpful to the slaves. According to the *Narrative of the Life of Frederick Douglass*, there are cases when the narrator remembers a number of slaveholders who whipped the nude backs of slaves as well as watch as flesh was cut of their body and large pints of blood was lost.

Slaves to the white society were compared to domestic animals (Douglass 49). He as well remembers a case whereby his boss perished without dotting a will. This clarified that proprietorship of the bosses' assets was to be relocated to his two kids. In line with words of Douglass, men were compared to horses, whereas women were seen as cattle and children slaves to pigs (Douglass 39). The white community from this viewpoint failed to see slaves as human beings rather as animals whose duty was to serve in fulfilling the desires of
